Dear Wade,

RE: REQUEST FOR TRADING HALT

Wangle Technologies Limited (**Wangle**, or the **Company**) (**ASX:WGL**) requests an immediate trading halt in the securities of the Company.

In accordance with ASX Listing Rule 17.1, I advise that:

a) The Company has received approval from the Google Play Store for release of the Android version of the Wangle App.

Wangle is awaiting final approval of the iOS version of the App from Apple so that it can be released into the Apple Store. The App was submitted for approval with Apple on 28 September 2016. The Company has since been advised it has received the Export Compliance approval required for applications utilising proprietary encryption technologies and is awaiting the final approval from Apple for release into the App Store which is expected imminently.

Wangle believes it is pertinent that the App is released on both the Apple Store and the Google Play Store at the same time.

b) The Company requests the trading halt remain in place until the earlier of the Commencement of trade on Tuesday 18 October 2016 or the approval and release of the iOS version of the App on the Apple Store.

c) The Company is not aware of any reason why the trading halt should not be granted.

Should you have any questions, please do not hesitate to contact me on (+61) 8 6489 1600.

Yours sincerely,

Loren Jones
Company Secretary
