## *WE DO IT BY*

- **Creating assets** with geoscience
  - We don't buy them
- **Provincial Scale** ground positions
  - Focuses capital, excludes competition, dominates infrastructure and political agendas
  - Mostly 100% owned
- **Maturity from Idea** – Cash approximately $15m every 2 years

## *WE DO IT WITH*

- Extraordinarily qualified, experienced **talented invested executives** & lateral **geoscientists**
- **Technological advancements** which deliver paradigm shifts – **geophysics**

## *WE LOOK FOR*

- Commodities demanded by the **urbanisation** of **4 billion people** in **35 years**
  - **Gas, Iron, Copper, Agri resources, potash phosphate, water, land, access rights**
- The oldest form of money – **gold**

## *WE DO IT IN*

- Countries with manageable risk settings and ethical standards. Yellow light countries. Opportunities are enduring.
- Regions with the **scale of structure** and **geological pedigree** to deliver very rich projects
- Africa, South America, Australia

# The DGR Global Offering Distilled

- **Future** Focussed
- **Long-term** Strategies Employed
- **Large Positions** Targeted
- **Key People** Engaged and Incentivised
- **Diversification** Across Commodities, Countries and Capital Markets
- Opportunities to **Select Investments** (Commodity Focus)
- Exploration / Discovery **Upside**
- Medium to Longer-term :
  - Further Offspring
