Rule 2.7, 3.10.3, 3.10.4, 3.10.5

Appendix 3B

New issue announcement, application for quotation of additional securities and agreement

Information or documents not available now must be given to ASX as soon as available. Information and documents given to ASX become ASX's property and may be made public.

Introduced 01/07/96 Origin: Appendix 5 Amended 01/07/98, 01/09/99, 01/07/00, 30/09/01, 11/03/02, 01/01/03, 24/10/05, 01/08/12, 04/03/13

Name of entity

PIXIE GROUP LIMITED

ABN

ARBN 126 494 880

We (the entity) give ASX the following information.

Part 1 - All issues

You must complete the relevant sections (attach sheets if there is not enough space).

1	+Class of +securities issued or to be issued	Unsecured convertible notes (**Notes**)
2	Number of +securities issued or to be issued (if known) or maximum number which may be issued	10 Notes with face value of A$20,000 each ***Note:*** *this is not a new issue of Notes, and the purpose of this Appendix 3B is to update details set out in the Appendix 3B announced on 19 May 2016 regarding the conversion formula floor price, and the resulting effect on maximum number of shares that could be issued on conversion of Notes.*

+ See chapter 19 for defined terms.

For personal use only

3	Principal terms of the +securities (e.g. if options, exercise price and expiry date; if partly paid +securities, the amount outstanding and due dates for payment; if +convertible securities, the conversion price and dates for conversion)	Unquoted, unsecured convertible notes at an issue price of A$20,000 per Note: • Interest payable annually from the date of issue of the Note up to redemption or conversion. • The Company must redeem the Notes five (5) years from the Issue Date. The Company has the right to make an early redemption of the Notes on any anniversary of the Issue Date. The Redemption Amount will be the aggregate of the Face Value of each Note plus Accumulated Interest (any interest that has not been paid on previous Interest Payment Dates). • The holder has the right to convert on any anniversary date of the Issue Date. On conversion, the number of ordinary shares to be issued for the Note is: = Face Value / Conversion Price where Conversion Price = Market Price x 0.8, subject to a minimum Conversion Price of A$0.01 per Share.

For personal use only

+ See chapter 19 for defined terms.

For personal use only

4	Do the +securities rank equally in all respects from the +issue date with an existing +class of quoted +securities? If the additional +securities do not rank equally, please state: • the date from which they do • the extent to which they participate for the next dividend, (in the case of a trust, distribution) or interest payment • the extent to which they do not rank equally, other than in relation to the next dividend, distribution or interest payment	The Notes (until conversion) do not rank equally with an existing class of quoted securities. However, the shares issued on conversion will rank equally with all other fully paid ordinary shares (refer to item 3 for further details regarding conversion of Notes). The Notes do not (until conversion) confer on holders of Notes any right as a shareholder of the company (including dividend rights). The Notes will bear interest as set out in item 3 above.
5	Issue price or consideration	A$20,000 per Note
6	Purpose of the issue (If issued as consideration for the acquisition of assets, clearly identify those assets)	• The intended use of funds from the offer is for the purpose of working capital, and expansion plans as previously announced to ASX.
6a	Is the entity an +eligible entity that has obtained security holder approval under rule 7.1A? If Yes, complete sections 6b – 6h *in relation to the +securities the subject of this Appendix 3B*, and comply with section 6i	No
6b	The date the security holder resolution under rule 7.1A was passed	
6c	Number of +securities issued without security holder approval under rule 7.1	

+ See chapter 19 for defined terms.

6d	Number of +securities issued with security holder approval under rule 7.1A	
6e	Number of +securities issued with security holder approval under rule 7.3, or another specific security holder approval (specify date of meeting)	
6f	Number of +securities issued under an exception in rule 7.2	
6g	If +securities issued under rule 7.1A, was issue price at least 75% of 15 day VWAP as calculated under rule 7.1A.3? Include the +issue date and both values. Include the source of the VWAP calculation.	
6h	If +securities were issued under rule 7.1A for non-cash consideration, state date on which valuation of consideration was released to ASX Market Announcements	
6i	Calculate the entity's remaining issue capacity under rule 7.1 and rule 7.1A – complete Annexure 1 and release to ASX Market Announcements	82,380,186 shares (Listing rule 7.1)
7	+Issue dates Note: The issue date may be prescribed by ASX (refer to the definition of issue date in rule 19.12). For example, the issue date for a pro rata entitlement issue must comply with the applicable timetable in Appendix 7A. Cross reference: item 33 of Appendix 3B.	23 March 2016 7 and 21 April 2016 11 May 2016

8 Number and +class of all +securities quoted on ASX (*including* the +securities in section 2 if applicable)

Number	+Class
182,534,570	CDIs

+ See chapter 19 for defined terms.

For personal use only

9	Number and +class of all +securities not quoted on ASX (*including* the +securities in section 2 if applicable)	Number	+Class
		500,000,000	CDIs (subject to escrow)
		3	Ordinary shares, held outside CDI structure due to Singapore law requirement for minimum number of shareholders
		10	Unsecured Convertible Note (face value A$20,000 each)
10	Dividend policy (in the case of a trust, distribution policy) on the increased capital (interests)	The entity does not expect to declare any dividends in the near term.	

Part 2 - Pro rata issue

11	Is security holder approval required?	N/A
12	Is the issue renounceable or non-renounceable?	
13	Ratio in which the +securities will be offered	
14	+Class of +securities to which the offer relates	
15	+Record date to determine entitlements	
16	Will holdings on different registers (or subregisters) be aggregated for calculating entitlements?	
17	Policy for deciding entitlements in relation to fractions	

+ See chapter 19 for defined terms.

For personal use only

18	Names of countries in which the entity has security holders who will not be sent new offer documents Note: Security holders must be told how their entitlements are to be dealt with. Cross reference: rule 7.7.	
19	Closing date for receipt of acceptances or renunciations	
20	Names of any underwriters	
21	Amount of any underwriting fee or commission	
22	Names of any brokers to the issue	
23	Fee or commission payable to the broker to the issue	
24	Amount of any handling fee payable to brokers who lodge acceptances or renunciations on behalf of security holders	
25	If the issue is contingent on security holders' approval, the date of the meeting	
26	Date entitlement and acceptance form and offer documents will be sent to persons entitled	
27	If the entity has issued options, and the terms entitle option holders to participate on exercise, the date on which notices will be sent to option holders	
28	Date rights trading will begin (if applicable)	
29	Date rights trading will end (if applicable)	

+ See chapter 19 for defined terms.

For personal use only

30	How do security holders sell their entitlements *in full* through a broker?	
31	How do security holders sell *part* of their entitlements through a broker and accept for the balance?	
32	How do security holders dispose of their entitlements (except by sale through a broker)?	
33	+Issue date	

Part 3 - Quotation of securities

You need only complete this section if you are applying for quotation of securities

34 Type of +securities
(*tick one*)

(a) ☐ +Securities described in Part 1

(b) ☐ All other +securities

Example: restricted securities at the end of the escrowed period, partly paid securities that become fully paid, employee incentive share securities when restriction ends, securities issued on expiry or conversion of convertible securities

Entities that have ticked box 34(a)

Additional securities forming a new class of securities

Tick to indicate you are providing the information or documents

35 ☐ If the +securities are +equity securities, the names of the 20 largest holders of the additional +securities, and the number and percentage of additional +securities held by those holders

36 ☐ If the +securities are +equity securities, a distribution schedule of the additional +securities setting out the number of holders in the categories
1 - 1,000
1,001 - 5,000
5,001 - 10,000
10,001 - 100,000
100,001 and over

+ See chapter 19 for defined terms.

For personal use only

37 ☐ A copy of any trust deed for the additional +securities

Entities that have ticked box 34(b)

38	Number of +securities for which +quotation is sought	
39	+Class of +securities for which quotation is sought	
40	Do the +securities rank equally in all respects from the +issue date with an existing +class of quoted +securities? If the additional +securities do not rank equally, please state: • the date from which they do • the extent to which they participate for the next dividend, (in the case of a trust, distribution) or interest payment • the extent to which they do not rank equally, other than in relation to the next dividend, distribution or interest payment	
41	Reason for request for quotation now Example: In the case of restricted securities, end of restriction period (if issued upon conversion of another +security, clearly identify that other +security)	

		Number	+Class
42	Number and +class of all +securities quoted on ASX (*including* the +securities in clause 38)		

+ See chapter 19 for defined terms.

For personal use only

For personal use only

Quotation agreement

1 +Quotation of our additional +securities is in ASX's absolute discretion. ASX may quote the +securities on any conditions it decides.

2 We warrant the following to ASX.

- The issue of the +securities to be quoted complies with the law and is not for an illegal purpose.
- There is no reason why those +securities should not be granted +quotation.
- An offer of the +securities for sale within 12 months after their issue will not require disclosure under section 707(3) or section 1012C(6) of the Corporations Act.

  Note: An entity may need to obtain appropriate warranties from subscribers for the securities in order to be able to give this warranty
- Section 724 or section 1016E of the Corporations Act does not apply to any applications received by us in relation to any +securities to be quoted and that no-one has any right to return any +securities to be quoted under sections 737, 738 or 1016F of the Corporations Act at the time that we request that the +securities be quoted.
- If we are a trust, we warrant that no person has the right to return the +securities to be quoted under section 1019B of the Corporations Act at the time that we request that the +securities be quoted.

3 We will indemnify ASX to the fullest extent permitted by law in respect of any claim, action or expense arising from or connected with any breach of the warranties in this agreement.

4 We give ASX the information and documents required by this form. If any information or document is not available now, we will give it to ASX before +quotation of the +securities begins. We acknowledge that ASX is relying on the information and documents. We warrant that they are (will be) true and complete.

Appendix 3B – Annexure 1

Calculation of placement capacity under rule 7.1 and rule 7.1A for eligible entities

Introduced 01/08/12 Amended 04/03/13

Part 1

Rule 7.1 – Issues exceeding 15% of capital	
Step 1: Calculate "A", the base figure from which the placement capacity is calculated	
Insert number of fully paid +ordinary securities on issue 12 months before the +issue date or date of agreement to issue	65,532,823
Add the following: • Number of fully paid +ordinary securities issued in that 12 month period under an exception in rule 7.2 • Number of fully paid +ordinary securities issued in that 12 month period with shareholder approval • Number of partly paid +ordinary securities that became fully paid in that 12 month period *Note:* • *Include only ordinary securities here – other classes of equity securities cannot be added* • *Include here (if applicable) the securities the subject of the Appendix 3B to which this form is annexed* • *It may be useful to set out issues of securities on different dates as separate line items*	617,001,750
Subtract the number of fully paid +ordinary securities cancelled during that 12 month period	Nil
"A"	682,534,573

+ See chapter 19 for defined terms.

For personal use only

Step 2: Calculate 15% of "A"	
"B"	0.15 *[Note: this value cannot be changed]*
Multiply "A" by 0.15	102,380,186
Step 3: Calculate "C", the amount of placement capacity under rule 7.1 that has already been used	
Insert number of +equity securities issued or agreed to be issued in that 12 month period *not counting* those issued: • Under an exception in rule 7.2 • Under rule 7.1A • With security holder approval under rule 7.1 or rule 7.4 *Note:* • *This applies to equity securities, unless specifically excluded – not just ordinary securities* • *Include here (if applicable) the securities the subject of the Appendix 3B to which this form is annexed* • *It may be useful to set out issues of securities on different dates as separate line items*	A$200,000 total face value of unquoted convertible notes have a conversion price linked to market price. The minimum conversion price per share is A$0.01 which means that the notes would convert into a maximum of 20,000,000 shares.
"C"	20,000,000
Step 4: Subtract "C" from ["A" x "B"] to calculate remaining placement capacity under rule 7.1	
"A" x 0.15 *Note: number must be same as shown in Step 2*	102,380,186
Subtract "C" *Note: number must be same as shown in Step 3*	20,000,000
Total ["A" x 0.15] – "C"	82,380,186 *[Note: this is the remaining placement capacity under rule 7.1]*

+ See chapter 19 for defined terms.

For personal use only

Part 2

Rule 7.1A – Additional placement capacity for eligible entities	
Step 1: Calculate "A", the base figure from which the placement capacity is calculated	
"A" *Note: number must be same as shown in Step 1 of Part 1*	Not applicable
Step 2: Calculate 10% of "A"	
"D"	0.10 *Note: this value cannot be changed*
Multiply "A" by 0.10	
Step 3: Calculate "E", the amount of placement capacity under rule 7.1A that has already been used	
Insert number of +equity securities issued or agreed to be issued in that 12 month period under rule 7.1A *Notes:* • *This applies to equity securities – not just ordinary securities* • *Include here – if applicable – the securities the subject of the Appendix 3B to which this form is annexed* • *Do not include equity securities issued under rule 7.1 (they must be dealt with in Part 1), or for which specific security holder approval has been obtained* • *It may be useful to set out issues of securities on different dates as separate line items*	
"E"	

+ See chapter 19 for defined terms.

For personal use only

Step 4: Subtract "E" from ["A" x "D"] to calculate remaining placement capacity under rule 7.1A	
"A" x 0.10 *Note: number must be same as shown in Step 2*	
Subtract "E" *Note: number must be same as shown in Step 3*	
Total ["A" x 0.10] – "E"	*Note: this is the remaining placement capacity under rule 7.1A*

For personal use only

+ See chapter 19 for defined terms.
