Dear Sir:

MEDAIRE ADDS THREE NEW AIRLINE CLIENTS

MedAire has reached agreements with Mesa Airlines, Skynet Airlines and Trans States Airlines to provide the carriers with inflight medical services.

The agreements give each airline 24-hour inflight access to MedAire's hospital-based emergency physicians. MedAire will also equip Mesa and Trans States with emergency medical kits and automated external defibrillators (AEDs). With the addition of the three new airlines, MedAire now provides services to 55 airlines around the world.

Yours sincerely
