**ASX ANNOUNCEMENT 19 APRIL 2006**

**Voluntary Suspension of Trading**

In accordance with ASX Listing Rule 17.2 the Company advises as follows:

**Reasons for the Voluntary Suspension:**

Geodynamics previously announced last Thursday that it would be raising additional funds by means of an equity placement to ensure that it could complete Stage One of its project plan, namely demonstration of economic heat extraction.

**Length of Voluntary Suspension:**

Geodynamics requests a four business day voluntary suspension effective from Wednesday 19 April 2006 to Monday 24 April 2006 inclusive to allow the details of the equity placement to be finalised in a thorough and orderly fashion.

**Event expected to happen to end suspension:**

The suspension will be lifted immediately the Company is advised that the equity placement has been completed.

Geodynamics is not aware of any reason why the suspension should not be granted.
