Dear Narissa

TRADING HALT REQUEST

The Company requests a trading halt to its securities in accordance with Listing Rule 17.1 effective at trading open 23 November 2006, pending an announcement regarding the possible deferment of the Bankable Feasibility Study at its Deflector Gold-Copper Project following an initial review of the Financial Model. The Company requests the trading halt until a full announcement is released to the market, subject to the time limit imposed by the Listing Rules.

The Company is not aware of any reason why the trading halt should not be granted.

If you have any queries regarding the above, please contact me.

Yours faithfully
BATAVIA MINING LIMITED
