MARKET ANNOUNCEMENT

Orient Resource Holdings Limited (Orient)

A.C.N. 077 398 826

(ASX:ORH)

Orient today announced that its majority owned subsidiary, Orient (Tianjin) Corrosion Engineering Ltd has been awarded a fourth contract in China for the corrosion protection of steel piles at a 300,000 ton oil terminal under construction in the Port of Tianjin, North Eastern China.

The contract value is in excess of \$AU850,000 and brings the company's total work in hand to be over \$AU7 million.

ORH Chairman Mike Palmer said "The award of this contract to O(T)CE is recognition of the hard work from our team in China and confirmation that our business plan and strategy is working"

"O(T)CE now has 14 full time employees in Tianjin and we anticipate strong and continued growth throughout 2007 in this business"

Orient provides specialist corrosion protection and prevention services to industry and is building a strong name and reputation in China.

ORH continues to pursue a growth strategy, and is focusing on fast moving economies in China, Middle East and North Africa.

The Company also considers growth by acquisition as a legitimate strategy to complement its business plan.
