Dear Mr Ong

REQUEST FOR TRADING HALT

Erongo Energy Limited has received assay results for the first six holes of its initial drilling programme at its lead uranium project in Namibia. A news release is currently being finalised.

In the circumstances, it will be appreciated if you can arrange a trading halt for the Company pending an announcement in respect of these results. The announcement will be made, at the latest, prior to the market opening on Wednesday 6 June 2007.

The Company is not aware of any reason why the trading halt should not be granted.

Yours faithfully

Paul Jurman
Company Secretary
