WESTFIELD GROUP & LASALLE INVESTMENT MANAGEMENT ANNOUNCE JOINT VENTURE FOR WESTFIELD DONCASTER, AUSTRALIA

The Westfield Group (ASX:WDC) and LaSalle Investment Management Inc. today announced a \$1.48 billion new joint venture in respect of Westfield Doncaster in Victoria, Australia.

LaSalle's Asia Property Fund (LaSalle) has exchanged agreements to acquire a 50% interest in Westfield Doncaster. Following completion, LaSalle will make progressive payments over the next 18 months to fund the current redevelopment project. LaSalle's total investment of \$738 million represents 50% of the value of the centre on completion at a property yield of 4.7%.

Westfield will continue in its development, design and construction role, on behalf of the joint venture, for the current redevelopment of Doncaster. The joint venture has also appointed Westfield as the property, leasing and development manager of the centre.

"We are pleased to be able to announce the formation of a new joint venture with LaSalle Investment Management on one of the prime centres in the Group's Australian portfolio. Westfield Doncaster is set to become our flagship centre in Victoria and is reflective of the landmark destinations that the Group is creating through innovative development globally," said Group Managing Director Steven Lowy.

Following development completion at the end of 2008, Westfield Doncaster will be a three level super regional centre in the affluent north eastern region of Melbourne. The centre will have an area of approximately 120,000 square metres and will comprise major retailers such as Myer and David Jones department stores, Coles and Safeway supermarkets, Big W and Kmart discount department stores and Village Cinemas. In addition, the centre will include a new Café Court and Entertainment and Leisure Precinct and approximately 400 specialty stores.

Andrew Heithersay, Regional Director of LaSalle Investment Management, added "Westfield Doncaster will reap the benefits of an attractive catchment area with strong growth prospects. Furthermore, given Westfield's position as the premier shopping centre group in the region, we're delighted to partner with them on this blue-chip investment for our Asia Property Fund".

The transaction will be accretive to Operational Segment earnings and will not impact the Group's distribution forecast for the 2007 year of 106.5 cents per security.
