Dear Elizabeth

Request for Suspension following Trading Halt

I refer to our previous letter of the 23 June 2009.

We wish to confirm the reasons that a suspension is appropriate and, in accordance with Listing Rule 17.2, we address the points required by that Rule in writing.

1. **Reason:** Greenland Minerals and Energy Limited wish to request that the trading halt continue as a suspension from trading pending a further announcement in regard to recent press articles in Greenland commenting on the approval of mining uranium as a by-product of mining other minerals in Greenland and referring to the Kvanefield project.
2. **Period of suspension:** As above, pending a further announcement in regard to recent press articles in Greenland.
3. **Timing of ceasing suspension:** Lodgement of a further statement.
4. We are not aware of any reason not to grant the suspension.
5. We have no other information relevant to the suspension.

Yours faithfully

Simon Cato
Director
