**ASX Announcement  
Company Update Regarding Voluntary Suspension**

Vortex Pipes Limited (ASX Code: VTX) wishes to provide an update with respect to its request to be placed in voluntary suspension made on the 17<sup>th</sup> September 2009.

The following information is provided in relation to this update:

1. As expressed in the announcement of the 17<sup>th</sup> September 2009, the Company sought further time to review the Preliminary Final Report originally lodged with the ASX on 31<sup>st</sup> August 2009, as it became apparent that there were some errors in that document, and we sought to determine the extent of the required revisions.
2. The end of year accounts have been completed (with errors corrected), and are currently undergoing the external audit process.
3. The Company expects to be able to lodge both the revised Preliminary Final Report and the audited end of year accounts within the next 14 days. It expects to remain in suspension until that time.

Yours sincerely
