NuPower Resources Limited is a Northern Territory based exploration company. Our vision is to become a successful exploration and mining company with superior cashflows.

ASX ANNOUNCEMENT

19 October 2009

Exploration Update

Drilling Commences at Eva, MLN 585, N.T.

The Directors are pleased to announce that the diamond drill rig has arrived at the Eva site in the Westmoreland district of the Northern Territory. Additionally, Major Drilling Pty Limited has advised the company that the reverse circulation rig has left Mt Isa and is scheduled to arrive at site this Thursday, 22 October.

Diamond drilling has now commenced with a start made on the first hole of a proposed 1,000 meters of Diamond drilling, to be completed in parallel to a 2,000 meter percussion drilling program.

Field Work Commences at Lucy Creek, EL 24716, N.T.

Additionally, the Directors are pleased to announce that field work has commenced at the company's Lucy Creek prospect, 270 kilometers North East of Alice Springs. The area remains highly prospective for Phosphate. Geological mapping has commenced, making extensive use of a hand held XRF analyser. The unit is confirming the existence of higher grade material near surface around the historical high grade drill holes.

The company looks forward to reporting results from these programs in the near future.

I.G. (Mick) Muir
Executive Chairman
