Under the Company's current circumstances the Director's consider that the incentives represented by the grant of the Options are a cost effective and efficient means for the Company to provide a reward and an incentive.

SOUTH BOULDER MINES LIMITED

Notice of Annual General Meeting 30 November 2009

The related party to whom the proposed resolution would permit the financial benefit to be given

Subject to shareholder approval, the Options the subject of Resolution 3 will be granted to Mr David Hughes or his nominee within one month of the passing of this Resolution.

Mr Hughes is a Director of the Company and is therefore classified as a related party.

The nature of the financial benefit

The proposed financial benefit is the grant to Mr Hughes or his nominee, for no issue price, that number of options shown beside his name in the table below. Each option will allow Mr Hughes to subscribe for one ordinary fully paid share in the Company. The exercise price of each option is also detailed in Table 1. The options form part of Mr Hughes' incentive for continuing and future efforts.

Directors' recommendation

Mr Grammer and Mr Cornelius recommend shareholders vote in favour of Resolution 3.

Mr Hughes does not wish to make a recommendation about the proposed Resolution 3. As he may potentially receive a financial benefit from the passing of the Resolution in relation to the grant of the options and does not consider himself sufficiently independent to make a recommendation.

Interests of director

Mr Hughes has noted his respective interest in the approval of Resolution 3 in relation to the options.

Any other information that is reasonably required by members to make a decision and that is known to the Company or any of its officers.
