## Strike extends option to acquire Philippines oilfield

Strike Energy Limited (**ASX:STX**) advises that it has extended the expiry date on the option it holds for the acquisition of an 80 per cent stake in the Cadlao Oilfield in the Republic of the Philippines.

Strike has agreed with Blade Petroleum, which holds the Cadlao interest, to extend the existing option period from 31 January 2010 to 28 February 2010.

The extension will enable further time for Strike to complete its due diligence review of the project.

Yours faithfully
