Dear Kerrie,

**REQUEST FOR VOLUNTARY SUSPENSION**

Further to my letter dated 8 February 2010 requesting a trading halt, I advise that the negotiations for a planned restructure of the business referred to in that letter are still progressing. Accordingly Atos Wellness requests that its shares be placed in voluntary suspension with effect from 11 February 2010.

It is hoped that negotiations will be completed within the next two weeks. As soon as negotiations have been finalised an announcement will be made to ASX with a request that the shares be reinstated.

The Company is not aware of any reason why the voluntary suspension should not be granted.

Yours sincerely,

Ian Gregory  
Company Secretary
