### **Results of Scheme Consideration Elections**

Under the mix and match facility in the Lihir Gold Limited ("LGL") scheme of arrangement, LGL shareholders could elect one of the following consideration alternatives:

- Mixed Consideration;
- Maximum Share Consideration; or
- Maximum Cash Consideration,

for all of the LGL shares held by them at 7:00pm (Melbourne time) on 6 September 2010.

Shareholders who did not make a valid election receive the Maximum Share Consideration.

These consideration alternatives are explained in detail in the Scheme Booklet sent to LGL shareholders.

#### **Mixed Consideration elections**

LGL shareholders who elected to receive Mixed Consideration will receive:

- 1 Newcrest Mining Limited ordinary share ("New Newcrest Share") for every 8.43 LGL shares<sup>1</sup>; plus
- \$0.225 cash for each LGL share.

#### **Maximum Share Consideration elections**

The majority of LGL shareholders who made a valid election chose the Mixed Consideration or the Maximum Share Consideration.

Accordingly, LGL shareholders who made, or were deemed to have made, a valid election to receive the Maximum Share Consideration will have their election scaled back, so that those shareholders will receive approximately<sup>1</sup>:

- 1 New Newcrest Share for every 8.17217 LGL shares; plus
- \$0.0833 cash for each LGL share.

#### **Maximum Cash Consideration elections**

LGL shareholders who made a valid election to receive the Maximum Cash Consideration will have that election satisfied in full and will therefore receive approximately \$4.7161 cash for every LGL share<sup>1</sup>.

For the purposes of the mix and match elections, the New Newcrest Shares were valued at \$37.86.

#### **Payment of consideration**

Despatch of confirmations of issue for New Newcrest Shares, and despatch of cheques for payment of Cash Consideration, will occur no later than 21 September 2010.

---

<sup>1</sup> Due to the calculation of individual entitlements and the effects of rounding, LGL shareholders may actually receive a greater or lesser amount of New Newcrest Shares or cash.

New Newcrest Shares commenced trading on a deferred settlement basis on 31 August 2010 and it is the responsibility of each New Newcrest Shareholder to confirm their holding before trading in New Newcrest Shares, to avoid the risk of selling shares they do not own. Trading in New Newcrest Shares is expected to commence on a normal settlement basis on Wednesday 22 September 2010.
