INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF FRONTIER RESOURCES LIMITED

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Frontier Resources Limited, which comprises the statement of financial position as at 31 December 2010, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, notes comprising a statement of accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the disclosing entity and the entities it controlled at the half-year's end or from time to time during the half-year.

Directors' Responsibility for the Half-Year Financial Report

The directors of the disclosing entity are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2010 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Frontier Resources Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Frontier Resources Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

Basis for Qualified Auditor's Conclusion

As at 31 December 2010, property, plant and equipment to the value of \$255,045 are currently held in a remote location in Papua New Guinea. Access to the location of these assets is limited. As a result of this we were unable to obtain sufficient assurance over the physical existence and condition of these assets. Accordingly, we are not in a position to and do not express any assurance in respect of the existence and the recoverability of these items of property, plant and equipment for the half-year ended 31 December 2010.

Qualified Auditor's Opinion

Based on our review, which is not an audit, except for the effects of such adjustments, if any, as might have been determined to be necessary had we been able to satisfy ourselves on the matters referred to in the proceeding paragraph, we have not become aware of any matter that makes us believe that the half-year financial report of Frontier Resources Limited is not in accordance with the Corporations Act 2001 including:

- (a) the financial report of Frontier Resources Limited is in accordance with the Corporations Act 2001, including:
 - (i) giving a true and fair view of the consolidated entity's financial position as at 31 December 2010 and of its performance for the half-year ended on that date; and
 - (ii) complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Regulations 2001.

Emphasis of Matter

Without further qualification to our conclusion, we draw attention to Note 1 in the financial report which indicates that the consolidated entity incurred a net loss of \$1,608,955 during the half year and had net operating cash outflows of \$1,075,773. These conditions, along with other matters as set forth in Note 1, indicate the existence of a material uncertainty that may cast significant doubt about the consolidated entity's ability to continue as a going concern and therefore the Group may be unable to realise its assets and discharge its liabilities in the normal course of business and at the amounts stated in the financial report.

FRONTIER RESOURCES LTD & ITS CONTROLLED ENTITIES
NOTES TO THE FINANCIAL STATEMENTS
31 DECEMBER 2010

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The half-year consolidated financial statements are a general purpose financial report prepared in accordance with the requirements of the Corporations Act 2001 and Australian Accounting Standard AASB 134: Interim Financial Reporting.

These interim financial statements are intended to provide users with an update on the latest annual financial statements of Frontier Resources Limited and its controlled entities. As such, it does not contain information that represents relatively insignificant changes occurring during the half-year within the Group. It is therefore recommended that these financial statements be read in conjunction with the annual financial statements for the year ended 30 June 2010 and any public announcements made by Frontier Resources Limited and its controlled entities during the half-year in accordance with continuous disclosure requirements arising under the Corporations Act 2001.

The half-year financial statements have been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

The same accounting policies and methods of computation have been followed in these interim financial statements as were applied in the most recent annual financial statements.

Basis of Preparation and Going Concern Basis

The consolidated entity incurred a loss for the half year of \$1,608,955 (2009: half-year loss of \$719,867) and had a net operating cash outflows of \$1,075,773 for the six months ended 31 December 2010 (31 December 2009: net operating cash outflow \$768,373).

At 31 December 2010 the consolidated entity had cash assets of \$1,938,717 (30 June 2010: \$1,197,008), working capital of \$1,868,181 (30 June 2010: \$1,449,155) and net assets of \$4,431,240 (30 June 2010: \$4,204,088).

The Financial Statements have been prepared on the going concern basis, subsequent to a review of the capital requirements by the Directors. This contemplates continuity of normal business activities and the realisation of assets and the discharge of liabilities in the ordinary course of business when they fall due. Due to the encouraging results of past exploration activities, the Directors anticipate a continued focus on exploration over the next 12 months. To facilitate the ongoing exploration and drilling program, the Group may undertake a capital raising to meet its funding requirements during the period. In the unlikely even that capital raising does not occur, the Group may be unable to realise its assets and discharge its liabilities in the ordinary course of business.

The ultimate recoupment of costs carried forward for exploration and evaluation phases is dependent on the successful development and commercial exploitation or sale of the respective mining tenements.
