TSX Venture Exchange Planned Listing Update

Central Petroleum Ltd (**ASX Code: CTP**) ("**Central**") has pleasure in announcing the appointment of Ryder Scott Company, Canada, to prepare an estimate of the potential hydrocarbon resources attributable to the Company's interests in the Amadeus Basin, the Pedirka Basin, the Wiso Basin and the Southern Georgina Basin for the primary purpose of the Company's listing on the TSX Venture Exchange.

Founded in 1937, Ryder Scott is one of the largest, oldest and most respected reservoir evaluation consulting firms in the industry. Ryder Scott is among a handful of large, established consultants that issues reserves and resources certifications considered to be consistently reliable by the financial community at large, including commercial, investment, development and mezzanine banks as well as private investment groups.

John Heugh, Central's Managing Director said "We are pleased to have appointed Ryder Scott and look forward to receiving their estimates which we anticipate will further confirm the fundamental prospectivity of the areas which Central operates in Central Australia."

Further, Central claries that it will be the TSX Venture Exchange ("TSXV") which will be the relevant exchange on which a listing is planned to take place.
