EXPLANATORY MEMORANDUM

This Explanatory Memorandum is intended to provide shareholders with sufficient information to assess the merits of the Resolutions contained in the accompanying Notice of General Meeting (“**Notice**”) of the Company.

The Directors of the Company (“**Directors**”) recommend shareholders read this Explanatory Memorandum in full before making any decision in relation to the resolutions.

The following information should be noted in respect of the various matters contained in the accompanying Notice:

RESOLUTION 1: RATIFICATION OF SHARE ISSUE

The Shares referred to in Resolution 1 were issued on 5 September 2011 to clients of Bell Potter Securities Limited.

Listing Rule 7.4

Listing Rule 7.4 permits the ratification of previous issues of securities made without prior Shareholder approval, provided the issue did not breach the 15% threshold set by Listing Rule 7.1. The effect of such ratification is to restore a company’s maximum discretionary power to issue further Shares constituting up to 15% of the issued capital of the company without requiring shareholder approval.

Information for Shareholders

Listing Rule 7.5 requires the following information to be provided to Shareholders for the purpose of seeking approval under Listing Rule 7.4:

- (a) Resolution 1 has been included so that Shareholders may approve and ratify pursuant to Listing Rule 7.4 the issue of a total of 24,700,000 Ordinary Shares to those parties referred to above.
- (b) The Ordinary Shares were issued at \$0.20 per Ordinary Share to raise \$4.94million
- (c) The Ordinary Shares issued rank pari passu with, and on the same terms as, the existing Ordinary Shares on issue.
- (d) The use of funds raised by reason of the allotment is as follows:
 - Development and operational capital for the Smokey Hills project, to provide the necessary funds for the Company and its new contractor, JIC Mining Services, to achieve nameplate production capacity;
 - Funding continuing exploration and development expenditures on the Kalahari Platinum (“Kalplats”) and Rooderand projects;
 - Refinancing of the Working Capital Facility with Macquarie Bank to reduce Company debt levels; and
 - General working capital purposes.

For personal use only

The Company wishes to ratify the issue pursuant to Listing Rule 7.4 in order to allow the Company to have the right to place up to a further 15% of its issued capital at any time during the next 12 months should circumstances require.

RESOLUTION 2: APPROVAL OF OPTION ISSUE

The Options referred to in Resolution 2 are proposed to be issued to Macquarie Bank Limited as part of the revolving Working Capital Facility provided by Macquarie Bank Limited as announced to ASX on 30 June 2011 and 2 September 2011.

Information for Shareholders

ASX Listing Rules require the following information to be provided to Shareholders for the purpose of seeking approval:

- a) Resolution 2 has been included so that Shareholders may approve the issue of a total of 15 million unlisted options, exercisable at \$0.30 and expiring 30 June 2013 to the party referred to above.
- b) The Options are to be issued at nil consideration;
- c) The Ordinary Shares resulting from any exercise of the Options will rank pari passu with, and on the same terms as, the existing Ordinary Shares on issue; and
- d) The Options will be allotted in one tranche no later than 5 days after the date of the Shareholders' meeting.

The terms and conditions of the options are as follows:

- *Each Option entitles the Option Holder or any other holder of an Option (each an Optionholder) to the issue of one fully paid ordinary share in the capital of the Company (Share) upon exercise by notice in writing (in the form attached to this certificate) and payment of the exercise price, during the exercise period.*
- *An Optionholder has no obligation to exercise all its Options at the same time.*
- *The exercise price of each Option is A\$0.30 (Exercise Price).*
- *The option expiry date is 30 June 2013 (Option Expiry Date).*
- *The Options will be freely transferable provided that the offer of the Options to the proposed transferee will not require disclosure under Part 6D.2 of the Corporations Act. Promptly following any transfer of the Options the transferor and the transferee will notify the Company of the transfer and (subject to the return of the certificate relating to the transferred Options) the Company will issue a new Options Certificate to the transferor and the transferee reflecting their respective holdings of Options.*
- *Each Option may be exercised at any time before 5pm (EST) on the Option Expiry Date upon the payment of the Exercise Price.*
- *Options may be exercised by delivering to the Borrower:*
 - *the application for shares on exercise of options (Exercise Notice) duly executed by the holder (together with this certificate) specifying the number of Options being exercised (Relevant Number); and*
 - *an amount equal to the Exercise Price multiplied by the number of Options being exercised (the Settlement Price) or a statement in the Exercise*

For personal use only

Notice that the Settlement Price will be set-off against the Principal Outstanding.

- *The Company must within 5 Business Days of the receipt of the documents and/or funds referred to above:*
 - *issue to the Optionholder the Relevant Number of Shares,*
 - *issue, or cause to be issued, to the Optionholder or its nominee a holder identification statement for the Relevant Number of Shares; and*
 - *if applicable, issue a replacement Options Certificate to the Optionholder for the balance of any unexercised Options.*
- *The Shares issued pursuant to the exercise of the Options must be issued as fully paid shares.*
- *The Company must comply with the ASX Listing Rules, the Corporations Act and its constitution in relation to each issue of the Options on or before the relevant issue date (the Options Issue Date). Without limiting the foregoing, the Company must ensure that it is in a position to issue Options on the relevant Options Issue Date without contravening ASX Listing Rule 7.1.*
- *Until the Option Expiry Date, the Company must:*
 - *ensure that the Optionholder is given notice of all general meetings of the Company and of all resolutions to be considered at those meetings at the same time the shareholders of the Company are issued with notices; and*
 - *not do anything by way of altering its constitution or otherwise which has the effect of changing or converting any Shares into shares of another class, or restricts the Company's ability to issue the Options or to issue Shares on the exercise of Options.*
- *Until the Option Expiry Date, the Company must ensure that the Optionholder is given:*
 - *at least 15 Business Days written notice prior to the Record Date in relation to any pro-rata issue of shares or rights to subscribe for shares issued or to be issued by the Company (Additional Rights); and*
 - *at least 15 Business Days written notice prior to the date on which a person may accept an offer of such issue of Additional Rights.*
- *An Option does not confer any rights to dividends.*
- *An Option does not confer any right on the holder to participate in a new issue without exercising the Option.*
- *The Optionholder will be entitled to participate in any rights to take up Additional Rights on the same terms and conditions as applicable to the other offerees or shareholders of the Company provided that the Optionholder has exercised any Option prior to the date that is:*
 - *in relation to any pro-rata issue of Additional Rights, the Record Date; and*
 - *in relation to any other issue of Additional Rights, the date on which a person may accept an offer of such issue of Additional Rights.*
- *Any Shares issued to the Optionholder by the Borrower as a result of the exercise of an Option will rank pari passu in all respects with all other Shares. Shares issued upon the exercise of Options will only carry an entitlement to receive a dividend if they were issued before the record date for that dividend.*
- *If there is a Pro Rata Issue (except a Bonus Issue), from the date of the issue the Exercise Price of Options on issue is reduced according to this formula:*
-

$$A = O - \frac{E \{P - (S + D)\}}{(N + 1)}$$

Where:

A= the new exercise price of the Option;

O= the old exercise price of the Option;

E= the number of underlying shares into which one Option is exercisable;

P= the average closing sale price per ordinary share (weighted by reference to volume) recorded on the stock market of ASX during the 5 trading days ending on the day before the ex rights date or ex entitlement date (excluding special crossings or overnight sales);

S= the subscription price for a security under the pro rata issue;

D= the dividend due but not yet paid on each ordinary share at the relevant time (except those to be issued under the pro rata issue); and

N= the number of ordinary shares that must be held to entitle holders to receive a right to one new security in the pro rata issue.

- If there is a Bonus Issue to holders of Underlying Securities, from the date of the issue the number of Securities over which an Option is exercisable is increased by the number of Securities which the holder of the Option would have received if the Option had been exercised before the Record Date for the Bonus Issue.
- If, before exercise or expiry of the Options, the Company implements a reorganisation of its capital, the Options must be treated in the manner required by ASX Listing Rule 7.22 (as at the date of this certificate).
- Notwithstanding the foregoing, the Company must not issue new Shares (other than by way of placement of Shares by the Company at any time and from time to time in accordance with Chapter 7 of the ASX Listing Rules), consolidate Shares, or alter rights or otherwise re-organise its capital in a way which could or might detract from the value of the Options unless the Company obtains the prior written consent of the Optionholder, provided that the Company is not required to comply with this paragraph to the extent that doing so would result in a breach by the directors of the Company of their duties to the Company or its shareholders, arising in their capacity as directors of the Company.
- The Company shall (within 3 Business Days of the Optionholder having exercised any Options or earlier if required by the ASX Listing Rules) apply for official quotation on ASX of the Exercise Shares allotted as a result of the exercise.
- At the time any Shares are issued upon the exercise of an Option, the Company will provide (and the Company will not do, or omit to do, anything to prevent it from providing at that time):
 - a notice to the Australian Securities Exchange under section 708A(5)(e) of the Corporations Act; or
 - a prospectus to be lodged in accordance with Chapter 6D of the Corporations Act.
- The Company may vary the terms of Options, and change their holders' rights, to the extent necessary to comply with the ASX Listing Rules applying to reorganisations of capital at the time of the reorganisation. The Company must notify the Optionholder of any such variation to the terms of Options immediately after the date of the variation.
- Subject to the ASX Listing Rules, the terms of Options applicable to a particular holder may be varied at any time by written agreement between the Company and the Optionholder.

For personal use only

- For personal use only
- *If any Options Certificate is lost, stolen, mutilated, defaced or destroyed, the holder of the relevant Options may apply for a replacement certificate. The application must be accompanied by:*
 - *a written statement that the certificate has been lost or destroyed and not otherwise pledged, sold or otherwise disposed of;*
 - *if the certificate has been lost, a written statement that proper searches have been made; and*
 - *an undertaking that, if the certificate is found or received by the holder of the relevant Options, it will be returned to the Company.*
 - *The Company must issue a replacement certificate within 10 Business Days after receipt of the documents referred to above.*
 - *In this certificate the expressions Bonus Issue, Pro Rata Issue, Record Date, Security and Underlying Security have the same meaning as in the ASX Listing Rules.*
 - *These terms and the Options are governed by the laws of New South Wales*

Listing Rule 7.1
