Notes

+ See chapter 19 for defined terms.

For personal use only

1. The monthly report provides a basis for informing the market how the entity's activities have been financed for the past month and the effect on its cash position. An entity wanting to disclose additional information is encouraged to do so, in a note or notes attached to this report.
2. The definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report except for any additional disclosure requirements requested by AASB 107 that are not already itemised in this report.
3. **Accounting Standards.** ASX will accept, for example, the use of International Financial Reporting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.

Commentary

Operation

On 16 August 2012, the Company announced strong trading results for the first 2 months of this financial year. Both, the Company's IT business and Asian Business Division contributed to the positive outcome for the first 2 months of 2012-13.

Further benefits of the Asian Business Division and the IT business are expected and will be evident in the coming months as the Company gains momentum and realises potential orders.

Funding

The Company continues its capital raising activities in order to supplement its working capital requirements. In the medium term, the Company expects the steady growth of the Asian Business Division to provide a positive cashflow for the Group.
