# ASX Release:

## Yancoal Australia arranges long term debt facility

Yancoal has successfully arranged a long term loan facility at an attractive interest rate from its majority shareholder, Yanzhou Coal Mining Company Limited. The facility is for US\$596 million and has a term of five years (with principal repayable in regular installments from June 2015) and is provided on an unsecured basis with no covenants. The facility funds the payment of the Promissory Notes in connection with the capital return for previous Gloucester Coal Ltd shareholders.

The CEO of Yancoal, Murray Bailey said "the loan provides confirmation of the support that our majority shareholder is willing to provide for Yancoal".
