- ***The Independent Director of Focus Laverton recommends that all Focus Laverton shareholders accept the Offer, in the absence of a superior proposal and subject to an independent expert opinion that the Offer is reasonable (even if not fair)***

Focus Minerals Ltd ("Focus") [ASX: FML] and Focus Minerals (Laverton) Limited ("Focus Laverton") are pleased to announce an unconditional recommended off-market takeover offer by Focus for all of the remaining Focus Laverton shares it does not currently own ("Offer").

The transaction follows the previous takeover offer for Focus Laverton (previously known as Crescent Gold Limited) which closed in October 2011 ("Initial Takeover Bid"), with Focus acquiring 81.57% of Focus Laverton shares.

The Independent Director of Focus Laverton, Mr Geoff Stanley, **recommends that all Focus Laverton shareholders accept the Offer**, in the absence of a superior proposal and subject to an independent expert opinion that the Offer is reasonable (even if not fair).

The transaction will consolidate the Laverton assets into Focus, creating an Australian gold producer with targeted annual gold production of 200,000oz per annum from 2014, and a combined Mineral Resource base of 4.3Moz of gold with outstanding growth potential across two major Western Australian mining regions.

OFFER DETAILS

Focus and Focus Laverton have executed a Bid Implementation Agreement ("BIA"), under which Focus agreed to make the Offer.

The consideration being offered to Focus Laverton shareholders is 1 Focus share for every 0.725 Focus Laverton shares. At the closing price of Focus shares on 14 March 2013 of 2.0 cents per share, the Offer represents an implied offer price of 2.8 cents per Focus Laverton share.¹

¹ The value of the Offer may change as a consequence of changes in the market price of Focus shares.

The Offer is expected to open on 20 March 2013, and remain open for acceptances until 22 April 2013, unless extended or withdrawn.

Full particulars of the Offer will be provided in the Bidder's Statement which is expected to be sent to Focus Laverton shareholders on 20 March 2013.

TRANSACTION HIGHLIGHTS

The Board of Focus Minerals and the Independent Director of Focus Laverton consider that the combination of the two companies will provide significant strategic and financial benefits to both sets of shareholders:

Mr Don Taig, Chairman and Acting Chief Executive Officer of Focus Minerals said: *"Full ownership of Focus Laverton will allow Focus to be better placed to invest, grow and expand the Laverton operations. Focus has the financial capacity to extract significant value from the Laverton operations for all shareholders of the merged entity."*

"There are resource, operating and processing synergies available once 100% ownership is achieved that would lead to increased output and hence improved economic outcomes for the benefit of existing Focus Laverton shareholders and Focus shareholders", Mr Taig said.

Mr Geoff Stanley, the Independent Director of Focus Laverton said: *"The Board of Focus Laverton considers the transaction to be a compelling opportunity for Focus Laverton shareholders to become part of a rapidly growing Australian gold producer. Post-acquisition, Focus Laverton shareholders will be part of an entity with an exciting production and exploration growth profile, strong balance sheet, diversified asset portfolio and an experienced management team."*

Key compelling benefits for both Focus Minerals and Focus Laverton shareholders include:

- **Significant resource growth potential** – the combined group will have a very significant Mineral Resource inventory of 4.3Moz. Both the Laverton and Coolgardie regions have demonstrated the opportunity for significant resource growth on targeted exploration programmes. Focus brings the immediate funds to accelerate exploration at Laverton, with strong group revenues providing a basis to fund further exploration to expand group resources.
- **Significant growing production profile** – the combined group will be better positioned to achieve Focus' targeted gold production of 200,000oz per annum from 2014.
- **Greater capacity to unlock the value of Focus Laverton's assets** – if 100% ownership was to result from the Offer and Focus Laverton was to become a wholly owned subsidiary of Focus, Focus will be better placed to drive growth and value from Focus Laverton's assets for the benefit of both Focus Laverton and Focus shareholders.
- **Liquidity for Focus Laverton shareholders** – as a Focus shareholder you will benefit from liquidity for your investment due to receiving shares in an ASX listed entity that are freely tradable.

The Offer, if successful and fully accepted, will result in the issue of 314,604,392 Focus shares (equating to only 3.44% of the expanded capital base of Focus).

MANAGEMENT OF POTENTIAL CONFLICTS IN RELATION TO THE OFFER

The Directors of Focus Laverton recognised the potential for conflicts of interest to arise in relation to the Offer in relation to each of Donald Taig and Bruce McComish, who are also executives and/or directors of Focus. Accordingly, the Offer was evaluated by the Independent Director of Focus Laverton, Geoff Stanley, without the participation of the other Directors. The Independent Director of Focus Laverton had access to independent legal advice to assist him with his evaluation.

If the number of Laverton Shares held by a Laverton Shareholder means that their aggregate entitlement to New Focus Shares is not a whole number, then any fractional entitlement will be rounded up to the nearest whole number.

3.4 Foreign Laverton Shareholders

Focus will, unless satisfied that the laws of a Foreign Laverton Shareholder’s country of residence (as shown in the Register) permit the issue of New Focus Shares to the Foreign Laverton Shareholder (either unconditionally or after compliance with conditions which Focus regards as acceptable and not unduly onerous and not unduly impracticable), issue the New Focus Shares to which a Foreign Laverton Shareholder would otherwise become entitled, to a nominee appointed by Focus who will sell those New Focus Shares and pay to that Foreign Laverton Shareholder the proceeds received, after deducting any applicable brokerage, taxes and charges in accordance with the Offer.

3.5 Offer Period

The parties intend that the Offer Period will be one month, but acknowledge and agree that the Offer Period may be extended by Focus at its discretion or automatically, in each case in accordance with the Corporations Act.

4 Extension of Takeover Bid

The Takeover Bid will extend to all Laverton Shares that are issued during the Offer Period due to conversion of any other Laverton securities that exist at the date to be set by Focus under section 633(2) of the Corporations Act.

5 Recommendation and documentation

5.1 Focus’s obligations to prepare documentation

- (a) Focus will prepare:
 - (i) the Bidder’s Statement; and
 - (ii) an acceptance form for the Offer,

in each case consistent with clauses 3.2 to 3.5. The Bidder’s Statement must not contain any material statement which is misleading or deceptive nor contain any material omission having regard to applicable disclosure

requirements and must comply in all material respects with the requirements of the Corporations Act and all relevant regulatory guides, practice notes and other guidelines and requirements of ASIC.

- (b) Focus agrees to do, and to procure its Officers to do, such things as are reasonably necessary to prepare the Bidder's Statement, its lodgement with ASIC and despatch to Laverton Shareholders in accordance with the Timetable, subject to Laverton granting any necessary consents and ASIC granting any necessary modifications.

5.2 Laverton's obligations to prepare documentation

- (a) Laverton must prepare the Target's Statement in response to the Offer in accordance with the Corporations Act. - (c) Laverton agrees to do and to procure its Officers (other than Don Taig and Bruce McComish) to do such things as are reasonably necessary to prepare the Target's Statement, its lodgement with ASIC and despatch to Laverton Shareholders in accordance with the Timetable.

5.3 Provision of Information

Each party agrees that it will provide to the other such information as is reasonably required by the other party in order to enable the other party to fulfil its obligations under this agreement, including, but not limited to, the preparation of the Bidder's Statement and Target's Statement.

5.5 Timetable

Each party agrees to use its reasonable endeavours to comply with the Timetable.

5.6 Consent to early dispatch of Bidder's Statement

Laverton agrees (by authority of the Independent Director) that the offers and accompanying documents to be sent by Focus under the Takeover Bid under item 6 of section 633(1) of the Corporations Act may be sent up to 14 days earlier than the earliest date for sending under item 6 of section 633(1) of the Corporations Act.

6 Standstill

From the date of this agreement until the end of the Offer Period:

- (a) Laverton is relieved of its obligations under any loan or working capital facility made available to Laverton by Focus or its Related Bodies Corporate (including the repayment of the outstanding principal and any accrued interest); and
- (b) Focus must not, and must procure that each of its Related Bodies Corporate do not:
 - (i) take any steps to accelerate the debt owed to it or its Related Bodies Corporate; or
 - (ii) exercise any right, power, authority, discretion or remedy conferred on Focus or its Related Bodies Corporate,
