## Strategic Objective

Dyesol is an emerging company in an industry that has gone through enormous turmoil in the past two years. However, it has weathered the storm well and looks well positioned to carry its 3rd Generation technology towards successful commercialisation. The economic fundamentals of the solar industry remain very strong and those companies with competitive technologies should prosper in the long term. As we commented in the March 2013 Quarterly Report, we are very much focused on the opportunity of BIPV and we have responded to the challenging financial times by sharpening our technological proposition and continuing to improve our cost structure and the quality of our workforce.

In February, Dyesol introduced you to our new strategic investor, Tasnee. Tasnee is a global chemical giant with an interest to diversify and build wealth in alternative sectors, such as renewable energy. Since that time we have been working closely with Tasnee and have high confidence of building wealth for Dyesol shareholders together. You are now being invited to invest at the same price of 16.6 cents per share as Tasnee in recognition of your shareholder loyalty and the commitment made by the Board at the 2012 Annual General Meeting. We strive to create alignment amongst all shareholders, large and small.

The funds raised during 2013 are being applied to a narrower range of specific R&D opportunities, with keener focus on commercialisation. This represents a positive progression for the Company as its R&D strategy matures and is better targeted. The recent announcement on achievements in solid-state technology are truly ground-breaking and reflect well on Dyesol's technical staff and its collaboration of scientific partners. We will provide further explanations of the technical progress in the coming months as I know most shareholders delight in keeping abreast of key developments and the competitive field. Further, with a little luck, we hope there will be succession of positive announcements in 2013 to help ease the shareholder pain of 2012. Solid-state has very positive implications for product life and ease of manufacture, both serving to strengthen the commercial proposition and the path to market.

The Directors are pleased to present you with this opportunity to increase your investment in Dyesol through the Company's Share Purchase Plan and encourage you to take advantage of this exclusive offer and a pivotal point in the company's strategic objectives.

Yours sincerely,

Richard Caldwell  
**Chairman**  
**Dyesol Ltd**

## Questions and Answers

### 1) What is the Share Purchase Plan?

The Share Purchase Plan (SPP) is an opportunity for eligible shareholders to purchase additional ordinary shares in the Company at a discount to the market price without brokerage and commission costs.

All shares issued to you under the SPP will rank equally with your existing shares and will carry the same voting rights and other entitlements.

### 2) What is the Issue Price of the Shares and how many Shares will I receive?

The issue price is 16.6 cents (\$0.166) per share. This price is the same as that applicable to the conversion price for the 15 month redeemable loan note subscribed for by The National Industrialization Company of Saudi Arabia, better known as Tasnee, which was announced on 28 February 2013.

If you apply for shares under the SPP, you agree to contribute a certain amount to buy the shares rather than to apply for a certain number of shares. The number of shares you will receive will be determined by dividing the amount you agree to contribute for the shares by the offer price of 16.6 cents. If this calculation produces a fractional number, the number of shares you will be allotted will be rounded up to the nearest whole number of shares.

You should note that the market price of the Company's shares may rise or fall between the date of this offer and the date the shares are allotted under the SPP. This means that the issue price may be higher, equal to or lower than the price of the shares traded on the ASX at the time the shares applied for under the SPP are allotted and issued.

### 3) How many Shares can I apply for under the SPP?

Regardless of the number of shares you currently own, you are entitled to apply for parcels of shares in increments of \$500, from a minimum of \$500 up to a maximum of \$15,000. You may only apply for one parcel of shares.

If you hold shares in more than one capacity (for example you are both a joint holder and a sole holder), the maximum amount you can apply for under the SPP in all capacities is \$15,000.

By applying to purchase shares under the SPP, you will have agreed to be bound by the terms and conditions of the SPP as set out in this offer document.

### 4) How do I apply for Shares under the SPP?

If you wish to participate in the SPP, please follow the instructions set out on the enclosed personalised application form and send this form together with your cheque or money order made payable to:

Dyesol Limited  
c/- Computershare Investor Services Pty Limited  
GPO Box 505, Melbourne Victoria 3001

Alternatively you can make a BPAY payment as shown on the application form. If you make a BPAY payment, you do not need to return the application form. Please note that New Zealand shareholders are not able to make a BPAY payment unless they have an Australian Bank account established for this purpose.

If you wish to participate you should ensure that your **application form and payment is received by no later than 5:00pm (Perth time) on Friday, 31 May 2013.**

Please allow adequate time for mail deliveries. You will not be able to withdraw or revoke your application once you have sent us the completed application form and payment.

### 5) How long is the SPP offer open for?

The SPP opens on 17 May 2013 and is expected to close on Friday, 31 May 2013.

**If you wish to participate you should ensure that your application form and payment is received by no later than 5:00pm (Perth time) on Friday, 31 May 2013.**

### 3. PARTICIPATION IN THE SPP

#### 3.1 Non-renounceable

If you are an Eligible Shareholder, your rights under the SPP are personal to you and non-renounceable, so you may not transfer them.

#### 3.2 Eligibility to participate

- (a) Only persons who are Eligible Shareholders (as defined in the Glossary of Terms in section 13 of this document) may apply. Participation in the SPP is optional.
- (b) Directors and employees of the Company who are Eligible Shareholders may participate in the SPP.
- (c) The Company has determined that, because of foreign securities laws, it is not practical for holders of Shares with registered addresses in jurisdictions outside Australia or New Zealand to participate in the SPP.
- (d) Joint holders of Shares are taken to be a single registered holder of Shares for the purposes of the SPP and the certification in the Application Form by any joint-holder is taken to have been given by all joint holders.
- (e) If you receive more than one offer under the SPP (for example, because you hold Shares in more than one capacity) you may not apply for SPP Shares with an aggregate value of more than \$15,000, or which would result in the aggregate value of the Shares you have applied for, including through a custodian, under the SPP and any similar arrangement in the last 12 months being more than \$15,000.
- (f) In accordance with relevant New Zealand securities law, a person who, on the Record Date was registered as a holder of Shares with a New Zealand address but who, as at the time of this offer no longer holds Shares is not eligible to participate in the SPP.
- (g) If you are a Custodian and are the registered holder of shares on behalf of one or more persons (each a Beneficiary), the offer is made to you and you have the discretion whether to extend the offer to the Beneficiaries. Custodians must request a Custodian Certificate when making an application on behalf of Beneficiaries. To request a Custodian Certificate or further information about the Custodian application process, you should contact the Company's share registry. Applications received from Custodians must be accompanied by a duly completed and signed Custodian Certificate.

If you hold shares as a trustee or nominee for another person, but are not a "Custodian" as defined in ASIC Class Order 09/425, you cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holders apply.

By electing to participate in the SPP, the shareholder shall be deemed to have certified that the aggregated maximum amount subscribed for under the SPP does not exceed \$15,000. Furthermore shareholders will be deemed to have confirmed, in relation to all SPP Shares applied for by them under the SPP, that they do not make application for any other person in circumstances which might involve any breach of securities law of any jurisdiction other than Australia and New Zealand and have agreed to be bound by Dyesol Ltd's Constitution in respect of all the SPP Shares issued to them under the SPP.

### 4. ISSUE PRICE

#### 4.1 Issue Price

The Issue Price of each SPP Share is 16.6 cents (\$0.166).

#### 4.2 Variation in market price

If you apply to participate in the SPP by making a BPAY® payment or by completing and returning the Application Form with a cheque, you are accepting the risk that the market price of SPP Shares may change between the Record Date, the date on which you send in an Application Form or make a BPAY® payment and the Allotment Date. It is possible that up to or after the Allotment Date you may be able to buy Shares at a lower price than the Issue Price.

For personal use only

4.3 **No transaction costs**

Eligible Shareholders who participate in the SPP will pay no brokerage, commissions or other transaction costs in respect of the issue and allotment of Shares under the SPP.

5. **APPLICATION TO PARTICIPATE**

5.1 **Applying for SPP Shares under the SPP**

(a) If you wish to participate in the SPP, you must either:

- (1) complete and submit an Application Form in accordance with the instructions on it and make the payments for the SPP Shares by preparing a cheque for the appropriate amount in Australian dollars (as nominated by you on your Application Form) made payable to "Dyesol Limited" and sending the cheque with the Application Form to the following address:

Dyesol Limited  
 c/- Computershare Investor Services Pty Limited  
 GPO Box 505  
 Melbourne Victoria 3001

If you require information on how to complete the application form please contact the Company's share registry on 1300 850 505 (within Australia) or +61 3 9415 4000 (outside Australia)

**OR**

- (2) make a payment by BPAY in the appropriate amount by using your customer reference number (which is required to identify your holding) and the biller code, which are both on your Application Form. If you use BPAY to make your payment you do not need to return your Application Form as receipt of your BPAY payment will be taken by the Company as your application.

**Note:** BPAY is only available to Australian bank account holders.

- (b) You can only apply for an amount set out in the definition of Parcel. In each case you will receive the number of SPP Shares determined in accordance with the Issue Price. The number of SPP Shares issued to you under the SPP may be subject to a Scale-back and rounding (see clause 7).
- (c) If an Eligible Shareholder has more than one holding, the Eligible Shareholder may lodge an Application Form or make a BPAY payment in respect any holding, but may not apply for Shares with an aggregate value of more than \$15,000. Thus, you may only make an application with respect to one holding. If you have multiple holdings you will have multiple customer reference numbers. You must use the customer reference number shown on the Application Form when paying for any SPP Shares that you wish to apply for in respect of that holding.
- (d) You should be aware that your own financial institution may implement earlier cut off times for electronic payments and you should take this into consideration when making payment of application monies via BPAY. Your financial institution may have set a limit on the amount that you can pay via BPAY. It is your responsibility to ensure that the amount you wish to pay via BPAY is received by the Share Registry prior to the close of the offer.
- (e) Receipts for payment will not be issued. Application Forms returned by fax will not be accepted. Cash will not be accepted. Application monies will only be accepted if your cheque is drawn, or your BPAY payment is made, in Australian currency. Cheques must be drawn on an Australian financial institution. The Company will not pay interest on the application money under any circumstances.
- (f) Applications must be received by the Share Registry by 5.00pm (Perth time) on the Closing Date. Applications received after that time may not be accepted.

For personal use only

**5.2 Company's discretion with regard to applications**

The Company may accept or refuse any application under the SPP, including where:

- (a) if you are not making a BPAY payment, your Application Form is incorrectly completed, incomplete or the application is otherwise determined by the Company to be invalid;
- (b) you make your payment by cheque and the cheque is dishonoured or has otherwise not been completed correctly;
- (c) the amount of your cheque or BPAY payment is not equal to the amount applicable for one of the Parcels of shares available. If this occurs, the Company may either:
  - (i) refund in full your application monies and not allot any SPP Shares to you; or
  - (ii) allot to you the number of SPP Shares that would have been allotted had you applied for the highest designated amount that is less than the amount of your payment and refund to you the excess of your application monies;
- (d) it appears that you are applying to purchase more than \$15,000 worth of SPP Shares in aggregate (including as a result of any Shares you hold directly, jointly or through a custodian or nominee arrangement);
- (e) your Application Form, cheque, or BPAY payment is received after 5.00pm (Perth time) on the Closing Date;
- (f) the Company reasonably believes that you are not eligible to participate in the SPP (subject to compliance with any applicable ASIC or ASX requirements).

**5.3** If you are entitled to a refund of all or any of your application monies the refund will be paid to you, without interest, as soon as practicable:

- (a) by direct credit to your nominated bank account (as recorded by the Share Registry) or cheque; or
- (b) by returning your Application Form and cheque, if not processed, to your registered address.

- (a) you warrant that you are an Eligible Shareholder and eligible to participate in the SPP;

- (c) you acknowledge that your application will be irrevocable and unconditional;
- (d) you agree to pay the Issue Price per SPP Share up to the maximum value you have selected on the Application Form or the maximum value of your BPAY payment, subject to any Scale-back;
- (e) you certify and represent to the Company that you have not applied for more than \$15,000 worth of Shares as a result of the SPP Shares to be issued to you under the SPP.
- (f) you certify that the total of the application price for the following does not exceed \$15,000:
  - (i) SPP Shares under the SPP the subject of this application;

- (g) you accept the risk associated with any refund that may be sent to your address or to your nominated bank account as shown on the Company's share register;

- (j) you acknowledge that the Company (and each of its officers and agents) is not liable for any consequences of the exercise or non-exercise of its discretions referred to in the SPP;
- (k) you acknowledge that the SPP Shares have not, and will not be, registered under the US Securities Act of 1933 or the securities law of any other jurisdiction outside Australia or New Zealand and, accordingly, the SPP Shares may not be offered, sold or otherwise transferred except in accordance with an available exemption from, or in a transaction not subject to, the registration requirements of the US Securities Act and any other applicable securities laws. You may sell your SPP Shares in standard brokered transactions on the ASX where neither you nor any person acting on your behalf has reason to know that the sale has been pre-arranged with a person in the United States;
- (l) you agree not to send the SPP or any other material relating to the SPP to any person in the United States or any other country outside Australia and New Zealand;
- (m) you agree to be bound by the Company's constitution;
- (n) you authorise the Company (and each of its officers and agents) to correct any error in, or omission from, the Application Form and complete the Application Form by inserting any missing details;
- (o) you acknowledge that the Company may at any time irrevocably determine that your application is valid, in accordance with the terms and conditions of the SPP, even if the Application Form is incomplete, contains errors or is otherwise defective; and
- (p) you are responsible for any dishonour fees or other costs the Company may incur in presenting a cheque for payment that is dishonoured.

## 7. SCALE-BACK

- (a) If the Company receives applications for more than \$2 million of Shares under the SPP, it will in its discretion undertake a Scale-back to the extent and in the manner it sees fit.
- (b) If there is a Scale-back you may not receive all the Shares for which you have applied. If a Scale-back produces a fractional number when applied to your Parcel, the number of Shares you will be allotted will be rounded up to the nearest whole number of Shares.
- (c) If there is a Scale-back, the difference between the application monies received from you, and the number of SPP Shares allocated to you multiplied by the Issue Price, will be refunded to you in accordance with clause 5.3.
