Dear Sir/Madam

***Nullagine Gold Project  
Production Update FY2013***

Receipt of the required road usage permitting has allowed the higher grade Golden Gate ore treatment campaign to commence today, Tuesday 17 December 2013 as foreshadowed in the production update released to the ASX on 11 December 2013.

On completion of the December campaign the Company will run a further Golden Gate ore treatment campaign commencing around the third week of January 2014. Year-end guidance remains unchanged.
