1. Completion of a proxy form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid proxy form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
2. A Shareholder entitled to attend and vote is entitled to appoint not more than two proxies to attend and vote on behalf of the Shareholder. A proxy need not be a Shareholder of the Company, but must be a natural person (not a corporation). A proxy may also be appointed by reference to an office held by the proxy (eg "the Company Secretary").
3. Where more than one proxy is appointed, each proxy may be appointed to represent a specified proportion of the Shareholder's voting rights. If no such proportion is specified, each proxy may exercise half of the Shareholder's votes.
4. A proxy form is enclosed. A separate form must be used for each proxy. An additional form can be obtained by writing to the Company at Unit 1, 2 Richardson Street, Perth, Western Australia, 6005 or by fax to (61 8) 9486 8616. Alternatively, you may photocopy the enclosed form.

However, where a member of the key management personnel or a closely related party of that member is appointed as a proxy and is not directed how to vote, the proxy may only vote on Resolutions 2, 3, 4 (Approval to Issue Performance Rights to Directors) if the proxy is the Chair of the Meeting and the appointment expressly authorises the Chair to exercise the proxy even if Resolutions 2, 3, and 4 are connected directly or indirectly with the remuneration of a member of the key management personnel. 1 EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide Shareholders with material information to enable them to make an informed decision on the business to be conducted at the General Meeting of Red Mountain Mining Limited (**Company**).

The Explanatory Statement and all attachments are important documents. They should be read carefully. The Directors recommend Shareholders read this Explanatory Statement in full before making any decision in relation to the Resolutions.

2 RESOLUTION 1 - SELECTIVE BUY BACK

2.1 BACKGROUND TO RESOLUTION 1

On 23 July 2012, the Company entered into a Share Sale Agreement with Mindoro Resources Limited (**Mindoro**) for the acquisition of two gold and copper gold projects located in the Philippines, the Batangas Project and the Taipian San Francisco Project. Under the terms of the Share Sale Agreement the Company has the right to acquire a 100% direct and indirect interest in the Batangas Project and the right to acquire a 75% direct and indirect interest in the Taipian San Francisco Project. Upon settlement of the transaction on 30 October 2012, the Company issued Mindoro with 100 million fully paid ordinary shares, which were subject to a 12 month ASX imposed escrow period (**Consideration Shares**), and 50 million performance shares that were to vest upon the satisfaction of certain milestones (**Performance Shares**) by 30 October 2013.

On 1 November 2013 the Company announced that, pursuant to agreement with Mindoro, the 100 million Consideration Shares would continue to be escrowed voluntarily beyond expiry of the original ASX imposed 12 month escrow period, potentially to 30 April 2014. The Company further announced that the 50 million Performance Shares had not met the applicable milestones and were therefore converted to 1 fully paid ordinary share on 1 November 2013.

Red Mountain further announced on 1 November 2013 that, subject to the variation to the Share Sale Agreement dated 17 October 2013, placing the transfer of contractual rights to a 75% interest in the Taipian San Francisco Project in the "Further Restructure", it intended to, subject to shareholder approval, "buy-back" and cancel 4 million of the 100 million Consideration Shares held by Mindoro in return for the Company relinquishing its contractual right to a 75% interest in the low priority Taipian San Francisco Joint Venture exploration prospect on Mindanao Island in the Philippines.

2.2 SELECTIVE BUY-BACK MECHANISM

The Share Sale Agreement provides for a selective buy-back of the Consideration Shares issued to Mindoro, to be triggered on the occurrence of certain events.

Provided that Mindoro has not completed an in-specie distribution of the Consideration

Shares and has not otherwise disposed of the Consideration Shares with the consent of the Company which is the case, at the date of this Notice, the Company may elect, in its discretion, to buy back all, or a portion of the Consideration Shares, in the following circumstances:

- (a) if the Further Restructure does not occur within 12 months of Settlement, or such later date as agreed by the Company and Mindoro, and as a result, Mindoro is not able to transfer title to the Projects (or the beneficial interest in the Projects) to the Company or its nominee and the value of those exploration permits (or applications) not transferred exceeds \$20,000 (**Further Restructure Buy-back**);
- (b) if the Exploration Permit Applications (**EPAs**) are not approved, resulting in the granted exploration permits not being transferred within 24 months after Settlement and the value of those EPA's not transferred exceeds \$20,000 (**EPA Buy-back**);
- (c) if an application for the renewal of one or more of the Renewal Permits is not granted within 12 months of Settlement and the value of those exploration permits (or applications) not transferred exceeds \$20,000 (**Permit Renewal Buy-back**); and
- (d) if, following Settlement, the consideration payable by the Company is deemed to have decreased due Mindoro breaching a warranty it has given in favour of the Company under the Share Sale Agreement (**Breach Buy-back**),

(a reference to a Selective Buy-back shall include a reference to each of the Further Restructure Buy-back, EPA Buy-back, Permit Renewal Buy-back and Breach Buy-back).

A Selective Buy-back is subject to the approval of Shareholders, as contemplated by Resolution 1.

Provided a Selective Buy-back can occur, the Company and Mindoro would need to determine the number of Purchaser Shares that would be 'bought back' as part of a Selective Buy-back by,

- (a) in the case of the Further Restructure Buy-back, acting reasonably and in good faith, conducting a valuation of those assets the subject of the Further Restructure which have not been transferred to the Company (or its nominee) as contemplated by the Further Restructure (**Value**). Failing agreement in respect of the Value, either the Company or Mindoro may refer the matter in dispute to an Independent Expert for determination.
- (b) in the case of the EPA Buy-back, acting reasonably and in good faith, having an independent valuation conducted to determine the value of the exploration permits that were to be transferred upon grant of the EPAs, which were not transferred to the Company (or its nominee);
- (c) in the case of the Permit Renewal Buy-back, acting reasonably and in good faith, having an independent valuation conducted to determine the value of the Renewal Permits which were unable to be renewed; and

- (d) in the case of the Breach Buy-back, coming to an agreement (acting reasonably) with Mindoro as to the value to be attributed to the breach or, failing agreement, undertaking the dispute resolution process specified in the Share Sale Agreement.

To determine the volume of shares to be bought back, the Value should be divided by the Deemed Issue Price. The Deemed Issue Price is \$0.10/Share.

In the event that a Further Restructure Buy-back, EPA Buy-back or Permit Buy-back occurs, the Company will also relinquish all rights and title to, and all interest in, the Permits that:

- (e) in the event of a Further Restructure Buy-back, are the subject of the Further Restructure and which have not been transferred as contemplated;
- (f) in the event of an EPA Buy-back, were applications at the time of execution of the Share Sale Agreement and have not been granted and transferred as contemplated; and
- (g) in the event of a Permit Buy-back, were the subject of renewal applications at the time of execution of the Share Sale Agreement and for which the renewals have not been granted as contemplated.

In the event that a Selective Buy-back cannot occur for whatever reason, including but not limited to a situation where:

- (a) the Distribution has already taken place; or
- (b) where Shareholder approval for the Selective Buy-back has not been obtained,

Mindoro and the Company will resolve any dispute which may arise in relation to the Share Sale Agreement in accordance with the dispute resolution provisions contained in the Share Sale Agreement. These provisions are considered by the Company to be standard for an agreement of its nature. Following the Distribution or Authorised Disposal, the Company has access to normal remedies.

2.3 GENERAL

The Corporations Act provides that the rules relating to share buy-backs are designed to protect the interests of shareholders and creditors by:

- (a) addressing the risk of the transaction leading to the company's solvency;
- (b) seeking to ensure fairness between the shareholders of the company; and
- (c) requiring the company to disclose all material information.

Section 257A of the Corporations Act provides that a company may buy back its own shares if:

- (a) the buy-back does not materially prejudice the company's ability to pay its creditors;

and

- (b) the company follows the procedures laid down in Division 2 of Part 2J.1 of the Corporations Act.

Section 257H(3) provides that immediately after the registration of the transfer to a company of shares bought back, the shares are cancelled.

The procedure to conduct a buy-back differs for each type of buy-back. Each of the buy-backs proposed by the Company are classified as a selective buy-backs.

Section 257D(1) of the Corporations Act, requires the terms of a selective buy-back agreement to be approved before it is entered into by either:

- (a) a special resolution passed at a general meeting of the Company, with no votes being cast in favour of the resolution by any person whose shares are to be bought back or by their associates; or
- (b) a resolution agreed to, at a general meeting by all ordinary shareholders, or the agreement must be conditional on such approval.

Section 257D(2) of the Corporations Act requires that a company must, in the notice for the meeting in which it intends to seek shareholder approval, include a statement setting out all information known to the company that is material to the decision on how to vote on the resolution. However, a company does not have to disclose information if it would be unreasonable to require the company to do so, because the company had previously disclosed the information to Shareholders.

The Corporations Act and ASIC Regulatory Guide 110 set out the information that a company is expected to disclose to shareholders in a notice of meeting. This information is set out below in relation to the Company.

This Resolution 1 seeks Shareholder approval for the Selective Buy-back.

2.4 SUMMARY OF AND EFFECT OF PROPOSED SELECTIVE BUY BACK

The overall effect on the Company of the Selective Buy-back of Shares, would be to reduce the total number of Shares on issue at the time of the Selective Buy-back, by the number of Buy-back Shares, being 4 million. There are currently 481,442,016 Shares on issue.

The Company and Mindoro have, acting reasonably and in good faith, agreed the Value of the contractual right to a 75% interest in the Tapián San Francisco Project of \$400,000, which, divided by the deemed Issue Price of \$0.10/Share, determined a volume of shares to be bought back of 4 million shares. Neither the Company or Mindoro have chosen to refer the matter to an Independent Expert for determination. The Directors have considered that an independent valuation to determine the Value is not necessary.

The Selective Buy-back is not expected to have an effect on the control of the Company and would not reduce the Company's funds. Therefore, the proposed Selective Buy-back would

not materially prejudice the Company's ability to pay its creditors.

2.5 ADVANTAGES AND DISADVANTAGES OF PROPOSED SELECTIVE BUY BACK

The Board believes that the Selective Buy-back, as proposed by Resolution 1, would provide the following advantages to Shareholders:

- (a) there will be a lesser number of Shares on issue, resulting in an increased ownership interest in the Company of each remaining Shareholder;
- (b) it provides a cost effective, time efficient mechanism for the resolution of a potential conflict or dispute arising under the Share Sale Agreement;
- (c) a Selective Buy-Back will be directly related to the consideration payable for the Acquisition, which consists entirely of equity in the Company. Accordingly, a Selective Buy-Back would serve to directly reduce the impact on Shareholders' interests of the Acquisition;
- (d) there would be a reduction in the controlling interest of Mindoro;
- (e) it will reduce ongoing working capital expenditure on the Taipian San Francisco Project; and
- (f) a Selective Buy-back may provide a quicker resolution to a dispute than exploring litigious avenues.

The Board believes the disadvantage to Shareholders of the Selective Buy-back is a potential increase in the controlling interests of other shareholders, as a result in the decreased holding of Mindoro, where such increase results in any other Shareholder becoming a major Shareholder.

2.6 TRADING PRICE OF SHARES

The latest trading price of Shares on ASX prior to the date of this Notice of Meeting was \$0.005 on 16 December 2013.

2.7 DIRECTOR'S RECOMMENDATION

The Directors recommend that the Shareholders vote in favour of Resolution 1 and confirm that they intend to vote in favour of the Resolution.

2.8 OTHER MATERIAL INFORMATION

There is no information material to the making of a decision by a Shareholder whether or not to approve Resolution 1, being information that is known to any of the Directors and which has not been previously disclosed to Shareholders, other than as disclosed in this Explanatory Statement.

Any material information relating to a Selective Buy-Back arising after the date of this Notice

will be announced to the ASX.

3 RESOLUTION 2, 3 AND 4 - APPROVAL OF ISSUE OF PERFORMANCE RIGHTS TO DIRECTORS

3.1 Background

The Company proposes to grant Performance Rights to Directors Mr Jon Dugdale, Mr Neil Warburton and Mr Michael Wolley (together the **Related Parties**). The grant of the Performance Rights to the Related Parties is designed to encourage these Directors to have greater involvement in achieving the Company's objectives and to provide an incentive to strive to that end by participating in the future growth and prosperity of the Company through share ownership.

Under the Company's current circumstances, the Directors consider that the Performance Rights are a cost effective and efficient way to incentivise, as opposed to alternative forms of incentives, such as increased remuneration and the payment of cash bonuses.

Mr Dugdale's Performance Rights will be issued pursuant to the Performance Rights Plan as approved by Shareholders at the Company's AGM on 18 November 2013 and reproduced in Schedule 3. Mr Warburton and Mr Wolley are Non-Executive Directors. The Company acknowledges that Mr Warburton and Mr Wolley are not eligible to participate in the Company's Performance Rights Plan. However the Directors are of the view that at this stage of the Company's development it is far better for Non-Executive Directors of the Company to be compensated by way of securities in the Company, rather than by way of cash. During 2013, all directors remuneration was reduced by 20% and it is intended that no cash remuneration increases will be approved in 2014. The Company therefore proposes to issue Performance Rights to Messrs Warburton and Wolley on the same terms and conditions as the Plan.

Pursuant to ASX Listing Rule 10.11 and section 208 of the Corporations Act, the Company seeks Shareholder approval to allot and issue the following Performance Rights, on the terms detailed in section 9.2 to the Related Parties:

Performance Rights	Share Price Vesting Condition	Expiry Date	Mr Dugdale	Mr Warburton	Mr Wolley
Class A	\$0.05	18/11/16	3,000,000	1,500,000	1,000,000
Class B	\$0.10	18/11/17	4,500,000	2,250,000	1,500,000
Class C	\$0.15	18/11/18	4,500,000	2,250,000	1,500,000
TOTAL			12,000,000	6,000,000	4,000,000

3.2 Key Terms of the Performance Rights

The Performance Rights will be issued on the terms and conditions set out in Schedule 1.

Eligible recipients

- (a) Mr Jon Dugdale (or his nominee(s));
- (b) Mr Neil Warburton (or his nominee(s)); and

3.3 Requirement for Shareholder approval

In accordance with ASX Listing Rules 10.11, Resolutions 2, 3 and 4 require Shareholder approval for the grant of Performance Rights to the Related Parties.

3.4 ASX Listing Rule 10.11

For the purposes of the approval sought under ASX Listing Rule 10.11 and in accordance with the requirements of ASX Listing Rule 10.13 and for all other purposes, the following information is provided to Shareholders in respect of the Performance Rights:

- (a) the Performance Rights will be granted to Mr Jon Dugdale or his nominee(s) (Resolution 2), Mr Neil Warburton or his nominee(s) (Resolution 3) and Mr Michael Wolley or his nominee(s) (Resolution 4);
- (b) the maximum number of Performance Rights to be issued is:

- (e) no cash consideration is payable by the Related Parties at the time of grant of the Performance Rights or upon the allocation of Shares to which they may become entitled on the vesting of some or all of the Performance Rights. The terms and conditions of the Performance Rights are set out in Schedule 1;
- (f) No funds will be raised by the grant of the Performance Rights or issue of Shares on vesting.

A voting exclusion statement is included in the Notice of Meeting.

3.5 Corporations Act requirements

Chapter 2E of the Corporations Act requires shareholder approval where a public company seeks to give a “financial benefit” to a “related party” (unless an exception applies). Directors are considered to be related parties within the meaning of the Corporations Act. The Performance Rights to be granted to Messrs Dugdale, Warburton and Wolley will constitute a financial benefit for the purposes of Chapter 2E of the Corporations Act.

One of the exceptions to the requirement to obtain shareholder approval in accordance with Chapter 2E applies where the financial benefit constitutes part of the related party's "reasonable remuneration".

3.6 Directors' recommendation for Resolution 2

Mr Warburton and Mr Wolley (who do not have any interest in Resolution 2) recommend that Shareholders approve the grant of Performance Rights under Resolution 2 to Mr Dugdale (or his nominee(s)) as they consider the grant of the Performance Rights:

- (a) will incentivise Mr Dugdale for the reasons and factors set out above;
- (b) are a fair and reasonable alternative to additional cash payment of Directors' fees;
- (c) are in consideration and recognition of the services provided and to be provided by Mr Dugdale to the Company and the number of Performance Rights proposed to be issued is fair and reasonable and reflective of the contribution he has or will make to the Company;
- (d) are necessary to reflect remuneration benefits to executive directors by companies operating in the Company's industry; and
- (e) recognises that Directors have recently agreed to reduce cash remuneration by 20% to conserve cash.

Mr Dugdale declines to make a recommendation to Shareholders in respect of Resolution 2 as he has a material personal interest in the outcome of Resolution 2.

In forming their recommendations, each Director considered the experience of Mr Dugdale, the current market price of Shares and the current market practices when determining the number of Performance Rights and vesting conditions.

The Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolution 2.

3.9 Directors' recommendation for Resolution 3

Mr Dugdale and Mr Wolley (who do not have any interest in Resolution 3) recommend that Shareholders approve the grant of Performance Rights under Resolution 3 to Mr Warburton (or his nominee(s)) as they consider the grant of the Performance Rights:

- (a) will incentivise Mr Warburton for the reasons and factors set out above;
- (b) are a fair and reasonable alternative to additional cash payment of Directors' fees;
- (c) are in consideration and recognition of the services provided and to be provided by Mr Warburton to the Company and the number of Performance Rights proposed to be issued is fair and reasonable and reflective of the contribution he has or will make to the Company; and

- For personal use only
- (d) are necessary to reflect remuneration benefits to non-executive directors by companies operating in the Company's industry; and
 - (e) recognises that Directors have recently agreed to reduce cash remuneration by 20% to conserve cash.

Mr Warburton declines to make a recommendation to Shareholders in respect of Resolution 3 as he has a material personal interest in the outcome of Resolution 3.

In forming their recommendations, each Director considered the experience of Mr Warburton, the current market price of Shares and the current market practices when determining the number of Performance Rights and vesting conditions.

The Directors (other than Mr Warburton) acknowledge that the issue of Performance Rights to Mr Warburton as a non-executive director may be contrary to guidelines for non-executive remuneration in the ASX Corporate Governance Principles and Recommendations. However, the Directors consider the grant of the Performance Rights to be reasonable for the reasons outlined above.

The Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 3.

3.10 Directors' recommendation for Resolution 4

Mr Dugdale and Mr Warburton (who do not have any interest in Resolution 4) recommend that Shareholders approve the grant of Performance Rights under Resolution 4 to Mr Wolley (or his nominee(s)) as they consider the grant of the Performance Rights:

- (a) will incentivise Mr Wolley for the reasons and factors set out above;
- (b) are a fair and reasonable alternative to additional cash payment of Directors' fees;
- (c) are in consideration and recognition of the services provided and to be provided by Mr Wolley to the Company and the number of Performance Rights proposed to be issued is fair and reasonable and reflective of the contribution he has or will make to the Company; and
- (d) are necessary to reflect remuneration benefits to non-executive directors by companies operating in the Company's industry; and
- (e) recognises that Directors have recently agreed to reduce cash remuneration by 20% to conserve cash.

Mr Wolley declines to make a recommendation to Shareholders in respect of Resolution 4 as he has a material personal interest in the outcome of Resolution 4.

In forming their recommendations, each Director considered the experience of Mr Wolley, the current market price of Shares and the current market practices when determining the number of Performance Rights and vesting conditions.

The Directors (other than Mr Wolley) acknowledge that the issue of Performance Rights to Mr Wolley as a non-executive director may be contrary to guidelines for non-executive remuneration in the ASX Corporate Governance Principles and Recommendations. However, the Directors consider the grant of the Performance Rights to be reasonable for the reasons outlined above.

The Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 4.

3.11 Other implications for the Company

There are no tax implications for the Company in issuing these Performance Rights.

Dilution

The issue of Performance Rights to the Related Parties will have a diluting effect on the percentage interest of existing Shareholders holdings if the Performance Rights are exercised or vest.
