## EXPLANATORY STATEMENT

This Explanatory Statement is intended to provide shareholders of Sovereign Gold Company Limited (**the Company**) with sufficient information to assess the merits of the Resolutions contained in the accompanying Notice of Annual General Meeting of the Company.

The directors recommend that shareholders read this Explanatory Statement in full before making any decision in relation to the Resolutions.

If you have any queries regarding the matters set out in this Explanatory Statement or the preceding Notice please contact the Company or your professional advisor.

### 1. Financial Statements and Reports

The *Corporations Act 2001* requires the Financial Report, Directors' Report and Auditor's Report for the past financial year to be tabled before the Annual General Meeting, and the Company's Constitution provides for such reports to be received and considered at that meeting. Neither the *Corporations Act 2001* nor the Company's Constitution requires a vote of shareholders at the Annual General Meeting on such Reports. The Annual General Meeting provides a forum for shareholders to ask questions and make comments on the Company's reports and accounts and on the business and operations of the Company for the year ended 31 December 2013.

In addition, shareholders may, at the meeting, ask questions of the auditor in relation to the following matters;

- the conduct of the audit;
- the content of the auditor's report;
- the accounting policies adopted by the Company for the preparation of the financial statements; and
- the auditor's independence in relation to the above items.

Shareholders may view the Company's Annual Financial Report on the Company's website [www.sovereigngold.com.au](http://www.sovereigngold.com.au)

### 2. Resolution 1 – Adoption of Directors' Remuneration Report

In accordance with section 250R(2) of the *Corporations Act 2001*, a resolution that the Remuneration Report be adopted must be put to a vote at the Company's Annual General Meeting. The vote on this resolution is advisory only and does not bind the directors or the Company. The Remuneration Report is set out in the Company's year 2013 Annual Report and is also available from the Company's website [www.sovereigngold.com.au](http://www.sovereigngold.com.au)

The Remuneration Report:

- describes the policies behind, and the structure of, the remuneration arrangements of the Company and the link between the remuneration of executives and the Company's performance;
- sets out the remuneration arrangements in place for each director and for certain members of the senior management team; and
- explains the difference between the bases for remunerating non-executive directors and senior executives, including Chief Executive Officer.

If the Company's Remuneration Report resolution receives 'NO' votes of 25% or more of the votes cast at the meeting, the Company's subsequent remuneration report will include a report on actions taken by the Board in the Company's next annual report.

The Board will take the outcome of the vote, even if it received a less than 25% 'NO' vote into consideration when reviewing the Company's remuneration policy. A 'NO' vote of 25% or more was not received at the Company's 2013 Annual General Meeting.

### 3. Election of directors

#### **Resolution 2 - Election of Mr Julian Malnic as a director of the Company**

Article 49.1.1 of the Company's Constitution states that the directors may at any time appoint a person to be a director and directors so appointed hold their office until the conclusion of the next Annual General Meeting of the Company whereby they are eligible for election.

Mr Julian Malnic was appointed on 17 February 2014. In accordance with Article 49.1.1 Mr Julian Malnic offers himself for election. The qualifications and experience of Mr Julian Malnic is provided in the 2013 Annual Report tabled at this Annual General Meeting.

#### **Resolution 3 – Re-Election of Mr Peter Meers as a director of the Company**

Mr Peter Meers retires as a director of the Company by rotation in accordance with Article 49.1.3 of the Company's Constitution which provides that one third of other directors (not counting the managing director) must automatically retire at the end of each Annual General Meeting. The directors to retire under Article 49.1.3 are those directors who have been longest in office since their appointment on registration or their last election.

Being eligible, Mr Peter Meers offers himself for re-election. The qualifications and experience of Mr Peter Meers is provided in the 2013 Annual Report tabled at this Annual General Meeting.

### 4. Ratification of Previous Share Issues

#### **a) Resolution 4: approve the August 2013 issue of 8,151,750 shares**

Resolution 4 seeks shareholder ratification of the 26 August 2013 issue of 8,151,750 fully paid ordinary shares at an issue price of \$0.20 per share pursuant to a private placement to sophisticated and professional investors.

The purpose of the private placement was to raise funds primarily to accelerate drilling and development programs and to provide additional working capital.

Subject to certain exceptions, ASX Listing Rule 7.1 restricts a company from issuing or agreeing to issue equity securities in any 12 months period which amount to more than 15% of the Company's ordinary securities on issue at the commencement of that period without shareholder approval.

Provided the issue did not breach the 15% threshold in ASX Listing Rule 7.1, the ASX Listing Rule 7.4 permits the ratification of previous issues of securities made without prior shareholder approval. Subsequent approval to the private placement by shareholders will "refresh" the Company's ability to issue shares up to the 15% limit without further shareholder approval.

The Company seeks shareholder ratification of the issue of shares under the private placement so that the Company will have flexibility to issue further securities should the need or opportunity arise.

In accordance with the requirements of ASX Listing Rule 7.5, the following information is provided to shareholders to allow them to assess Resolution 4:

- a) A total number of 8,151,750 shares were allotted and issued.
- b) The shares were issued at an issue price of \$0.20 per share.
- c) The private placement was an "excluded offer" to sophisticated investors determined in accordance with Section 708 of the *Corporation Act*. The shares were placed with clients of Paradigm Securities Pty Ltd and Blue Ocean Equities Pty Ltd, licensed securities dealers and for relevant services.
- d) None of the allottees are related parties of the Company.
- e) The shares issued were fully paid ordinary shares and rank equally in all respects with the existing fully paid ordinary shares on issue.
- f) Funds raised by the issue of shares pursuant to the private placement have been and will be primarily used to accelerate drilling and development programs and to provide working capital.
- g) A Voting Exclusion Statement has been included for the purpose of Resolution 4.

**b) Resolution 5: approve the December 2013 issue of 1,416,134 shares**

Resolution 5 seeks shareholder ratification of the issue of 1,416,134 fully paid ordinary shares at an issue price of \$0.15 per share pursuant to a convertible securities agreement with US based institutional investor Bergen Global Opportunity Fund II LLC.

The purpose of the issue of the convertible security was to raise capital for general corporate and working capital purposes.

Subject to certain exceptions, ASX Listing Rule 7.1 restricts a company from issuing or agreeing to issue equity securities in any 12 months period which amount to more than 15% of the Company's ordinary securities on issue at the commencement of that period without shareholder approval.

Provided the issue did not breach the 15% threshold in Listing Rule 7.1, ASX Listing Rule 7.4 permits the ratification of previous issues of securities made without prior shareholder approval. If subsequent approval by shareholders of the share issue, this will "refresh" the Company's ability to issue shares up to the 15% limit without the need for shareholder approval.

The Company seeks shareholder ratification of the issue of shares under the personal offer so that the Company will have flexibility to issue further securities should the need or opportunity arise.

In accordance with the requirements of Listing Rule 7.5, the following information is provided to shareholders to allow them to assess Resolution 5:

- a) A total number of 1,416,134 shares were allotted and issued.
- b) The shares were issued at an issue price of \$0.15 per share.
- c) The placement was a "excluded offer" to Bergen Global Opportunity Fund II LLC pursuant to a convertible securities agreement.
- d) The shares were fully paid ordinary shares and rank equally in all respects with the existing fully paid ordinary shares on issue.
- e) Funds raised by the issue of shares pursuant to the convertible securities agreement have been used for working capital requirements.
- f) A Voting Exclusion Statement has been included for the purpose of Resolution 5.

**Voting Information:**

**Voting Entitlement at the Annual General Meeting in accordance with Regulation 7.11.37 of the Corporations Regulations 2001.**

For the purpose of determining a person's entitlement to vote at the Annual General Meeting, a person will be recognised as a member of the Company and the holder of shares if that person is registered as a holder of those shares at 5.00 pm Sydney time on Monday 26 May 2014, being within 48 hours prior to the date of the Annual General Meeting.

**Votes of Members**

On a show of hands, each member present in person or by proxy (or, in the case of a body corporate, by a representative) at the Annual General Meeting shall have one vote.

On a poll, every member present in person or by attorney or by proxy (or, in the case of a body corporate, by a representative) shall have one vote for each share held provided that all shares are fully paid.

**Voting**

Please note that for a resolution to be passed, except where otherwise indicated, a simple majority of votes from shareholders attending in person or voting by proxy is required.

**Amendments to proxy voting**

Shareholders are advised that the Federal government has introduced the *Corporations Amendment (improving Accountability on Director and Executive Remuneration) Act 2011 (Cth)* (the **CA Act**), which came into effect on 1 July 2011. The CA Act introduced new prohibitions on Key Management

Personnel and their Closely Related Parties from voting their shares (or voting undirected proxies) on, amongst other things, remuneration matters.

However, the chair of a meeting may vote an undirected proxy (ie. a proxy that does not specify how it is to be voted), provided the shareholder who has lodged the proxy has given informed consent, in the form of an express voting direction to the chair to exercise the undirected proxy, even if the resolution is connected with the remuneration of a member of Key Management Personnel (**Informed Consent**).

In light of these legislative requirements, the Company recommends that shareholders consider the following options to ensure the validity of their votes:

- a) that shareholders direct proxies on a remuneration related resolution instead of leaving them undirected; or
- b) that shareholders nominate a proxy who is not a member of Key Management Personnel or any of their Closely Related Parties to vote on a remuneration related resolution; or
- c) that shareholders who wish to vest their undirected proxies in the chair on a remuneration related resolution ensure that they follow instructions provided on the proxy form in order to provide Informed Consent.
