FITGENES LIMITED STATUS UPDATE

The Directors of Fitgenes Limited ("Company") provide the following update on the status of the Company and Fitgenes group entities.

As part of the preparation of the Company Prospectus and re-admission to ASX's official list, the Directors are now pleased to announce the following:

Fitgenes Hong Kong Limited ("Fitgenes Hong Kong")

The Company, in agreement with Fitgenes Australia, has now incorporated a joint venture entity, Fitgenes Hong Kong Limited, in partnership with Eton Corporation Limited who held non-exclusive distribution rights for the Fitgenes Australia's products and services for Hong Kong and surrounding markets.

Fitgenes Hong Kong will shortly commence operations under licence from Fitgenes Australia to distribute Fitgenes products and services initially into Hong Kong, Taiwan, the Province of Guangdong and City of Shanghai followed by other territories as identified.

In addition, Fitgenes Hong Kong has identified a number of possible locations to establish Fitgenes Hong Kong owned and Fitgenes branded personalised health clinics.

In closure, your Directors thank you for your ongoing support and patience while the Company and Fitgenes Australia prepare for the re-compliance process and we will continue to keep you informed as milestones are reached.
