FITGENES LIMITED STATUS UPDATE

The Directors of Fitgenes Limited ("Company") provide the following update on the status of the Company and Fitgenes group entities.

As part of the preparation of the Company Prospectus and re-admission to ASX's official list, the Directors are now pleased to announce the following:

Fitgenes Perth Pty Ltd ("Fitgenes Perth") Personalised Health clinic now open

We are pleased to announce that the first Company owned and Fitgenes branded genome based personalised health clinic has now commenced trading from 218 Whatley Crescent, Maylands (Perth) WA.

The clinic is offering a range of personalised health solutions delivered by a highly competent and experienced team comprising:

- Sharon Palmer (Medical Herbalist and Principal Practitioner);
- Rebecca Hall (Naturopath and Client Services Manager); and
- Emma Withers (Naturopathic Intern and Client Services).

The clinic team is further supported by Fitgenes Australia's scientific advisory and practitioner support network such that every client's specific health goals can be comprehensively addressed.

Further details of the Fitgenes Personalised Health clinic are available at www.clinics.fitgenes.com.au.

In closure, your Directors thank you for your ongoing support and patience while the Company and Fitgenes Australia prepare for the re-compliance process and we will continue to keep you informed as milestones are reached.
