About Lonestar:

Lonestar Resources Ltd. is a leading independent oil and gas company involved in exploration, production, and acquisition of unconventional oil and gas reserves. Our company's growth is focused on the Crude Oil Window of the Eagle Ford Shale, where we anticipate spending 95% of our capital for the next several years on our leasehold which currently exceeds 23,000 net acres. Lonestar is also evaluating the resource potential of its 50,000 acre block in the Williston Basin.
