### ALEXIUM INTERNATIONAL GROUP LIMITED

ASX/Media Release

12<sup>th</sup> November 2014

#### ALEXIUM PARTNERS WITH NEW YORK BASED EAS ADVISORS

Perth, WA and Greer, South Carolina, Alexium International Group Limited (Alexium) (ASX:AJX, AX:AJX, OTC QX:AXXIY) is pleased to announce that it has formally partnered with EAS Advisors based in New York, USA. EAS Advisors, founded by Eddie Sugar in 2008, is an investment advisory firm with a strong record of success in exposing ASX listed companies to the US market. EAS Advisors will work with Alexium to provide strategic support for Alexium's continued growth in the US, part of which includes working with Alexium towards a proposed listing in the US in 2015.

"Alexium is a company we see as a great growth story," said EAS Advisors founder Eddie Sugar. "We are pleased to work with them during this exciting time as they transition to a fully commercialized company and assist them in their stated goal to list on a US exchange next year."

"We are excited to be working with EAS Advisors," stated Alexium CEO and Executive Director Nicholas Clark. "With the progress Alexium is making in a number of areas, in particular the defense sector, it is clear now is the right time to have a strong business such as EAS behind us. EAS have seen the potential in our business, and we value their investor relations expertise, strong following and reputation as we gain traction in the U.S. market."

## **About Alexium**

Alexium International Group Limited (ASX: AJX, AX:AJX OTC QX: AXXIY) holds proprietary patent applications for a process developed initially by the U.S. Department of Defense, which allows for the surface modification and attachment of nano-particles or multiple chemical functional groups to surfaces or substrates to provide functions such as fire retardancy, water proofing, oil proofing, and anti-microbial treatments. Applications under development include but are not limited to textiles, paints, and packaging, glass and building materials. Alexium's fire retardant chemical treatment are currently marketed for different fabric markets under the Ascalon™, Nycolon™, Nuvalon™, and Polytron™, Omnitron™ and Bactron™ trademarks.

## **About EAS**

EAS Advisors, LLC is a private New York-based boutique investment advisory firm that provides a unique service to companies predominantly operating in the natural resource, commodity and affiliated sectors. The foundation of EAS's business is built on knowledge, capital markets insight and access to a deep pool of both traditional and non-traditional sources of capital.
