Texas Sale Update

Following announcement on 23 December 2014, Range and Citation Resources Limited ("Citation") have agreed to extend the Texas sale completion date and Range anticipates the transaction to complete in the coming days. Range will update the market accordingly on completion.

Lind Financing Update

As announced on 11 December, pursuant to the Company's US\$15 million loan facility provided by Lind Asset Management, LLC ("Lind"), the Company has made an undertaking to Lind that, to the best of its ability and subject to AIM and ASX listing rules, the Company's Shares will not be suspended from trading on either the ASX or AIM market for more than 5 days, commencing from the execution date of the loan facility agreement. With the recent suspension, the Company has fully utilized these allowed days and subsequently provides Lind with certain additional rights under the agreement, including the ability to demand re-payment of the loan. At present, US\$5.5 million under the Lind facility has been drawn down in two tranches, US\$5 million at completion date (17 October 2014) and US\$0.5 million (20 November 2014). Under the facility the company has issued 96,440,891 ordinary fully paid shares (38,000,000 collateral shares issued on 17 October 2014 and 58,440,891 first repayment shares on 18 November 2014). The initial facility has a face value of US\$7.25 million.

To date, the Company has not received any demand notification to call the loan in accordance with the default provisions. Range is currently in discussions with Lind however, there remains uncertainty on the outcome of such discussions and at present the Board has yet to receive sufficient comfort that Lind will not issue a demand for repayment in the short term. Given the uncertainty over the Company's financial position should such a demand for repayment be made, the Company will remain in suspension until such time as an agreement is reached with Lind, or the Company has sufficient alternative financing to repay the Lind facility in full.

Core Financing Update

The Core Capital financing remains on track with the due diligence process well progressed, and the Company expects the transaction to complete in line with the previously announced timing, on or before 30 April 2015.
