Decmil Group Limited (ASX: DCG) ("Decmil") wishes to announce it has extended its existing finance facilities and secured a new 3-year \$75m revolving loan facility with its principal bankers, National Australia Bank.

The new revolving loan facility will be used to fund infrastructure based investments that the Group is currently evaluating, principally Public Private Partnerships ("PPP"), build own operate infrastructure and other real asset opportunities. It will also be applied to fund other growth opportunities as they arise over the next 3 years.

The renewal has been completed on improved pricing and terms and conditions, reflecting the strong position of the business.
