

ASX Announcement**miRoamer welcomes new partner PSA Peugeot Citroën**

March 3rd 2015, Melbourne, Australia: Connexion Media Limited (ASX: CXZ), an innovator in the connected car market, is pleased to reveal that its miRoamer internet radio and music entertainment service will be available for French automobile manufacturer PSA Peugeot Citroen through MirrorLink®, during year 2015.

PSA Peugeot Citroen was one of the first vehicle manufacturers to implement MirrorLink. This technology enables drivers to access smartphone content using the vehicle's infotainment system. MirrorLink 1.1 is due to roll out on Peugeot 108, New Peugeot 208, New Peugeot Partner, Citroën C1, New Citroën Berlingo, New DS 5.

"We continue to strive to be at the forefront of connected car technology," said Brigitte COURTEHOUX, Director of PSA Peugeot Citroën's Business Unit for Connected Vehicles and Services. "Peugeot, Citroen and DS drivers have the luxury of a range of best-in-class apps via the MirrorLink system and miRoamer will be a welcome addition to the available entertainment options."

MirrorLink connectivity between a smartphone and vehicle infotainment system is achieved with a simple cable connection, allowing driver access to phone applications such as miRoamer using the vehicle's navigation screen and dashboard buttons.

The miRoamer radio and music service app aggregates global content providers including other aggregators, global AM/FM radio services, a platinum service featuring additional options such as genre-based content and virtual storage of music.

Ends.
