## ASX ANNOUNCEMENT

### Guildford Appoints Director of Investor Relations

**Guildford Coal Limited** (Guildford or the Company) (ASX: GUF) is pleased to announce that it has appointed Jenya Mesh as the Company's Director of Investor Relations effective March 16, 2015. Jenya becoming a member of the Guildford executive team aligns with the establishment of an office in Singapore, a strategic move towards achieving greater presence in Asia.

Prior to joining the Company, Jenya worked for Rob McEwen at McEwen Mining in Toronto, and for Alexander Molyneux at Azarga Uranium in Hong Kong. Ms. Mesh, based in Hong Kong and Singapore, will be responsible for helping market the story of Guildford to Asian investors and analysts.

"I am thrilled to join Guildford Coal. Having just become a brand new producer, the Company is in a remarkable position to create shareholder value. Refocusing our marketing efforts to a more appropriate audience in Asia, will enable us deliver long-term share price growth to the Company's stakeholders.", stated Jenya Mesh, Director of Investor Relations.

ABOUT GUILDFORD COAL [www.guildfordcoal.com.au](http://www.guildfordcoal.com.au)

Guildford Coal has recently transitioned from being an explorer to miner. Production at the Baruun Noyon Uul (BNU) coking coal mine in the South Gobi Mongolia successfully recommenced in late 2014. The Company has just completed its first commercial shipment of 6,000t of coal to Baotou Iron & Steel (Group) Co. Ltd in China and has now commenced the next shipment of 20,000 tonne for Jiuquan Iron & Steel (Group) Co Ltd (JISCO) which is part of a 60,000 tonne contract to be completed in March and April 2015. Guildford Coal is also focused on developing two priority projects in Queensland, Australia: the large thermal coal Northern Galilee Project and the PCI/thermal coal Springsure Project.

Please contact Jenya Mesh, +85 264 666 218 or Tony Mooney, +61 423 841 259 for further information.
