ALEXIUM INTERNATIONAL GROUP LIMITED

Quarterly Activities Report for the Period to 31 March 2015

Sales and Marketing:

- Alexium remains on target for 2015 revenue growth goals
- Alexium has now shown continuous quarter-over-quarter growth, with 1Q 2015 revenues exceeding 4Q 2014.
- Alexium has seven (7) “near-term” customers running in-plant scale-up production, all slated to show 2Q or 3Q revenue.
- Alexium, through 1Q 2015, continues to successfully develop flame-retardant 50/50 nylon-cotton through five different routes, through Natick, prime contractors and fabric suppliers

In the first quarter of 2015, Alexium closed two new accounts and continued to make significant progress towards launching several new products in 2Q 2015. Alexium remains on track to meet or exceed its 2015 financial projections with a predicted very active remainder of the year.

Alexium continues to build sales momentum in the commercial sector. As 2015 was Alexium's first true introduction of sales into the marketplace, the key strategy has been to create a solid foundation of clients with product validation both by customers and end users. Alexium has a number of customers undertaking production trials as well as having announced sales contract this quarter where revenue will start to grow strongly.

In the Defense sector, Alexium's work with NATICK is proceeding as per schedule with results that have exceeded NATICK's expectations. Alexium remains on track to achieve US Department of Defense revenues in 2015.

Notes

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity wanting to disclose additional information is encouraged to do so, in a note or notes attached to this report.
2. The definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report except for any additional disclosure requirements requested by AASB 107 that are not already itemised in this report.
3. **Accounting Standards.** ASX will accept, for example, the use of International Financial Reporting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.
