Dear Shareholder

SmartTrans Holdings Limited ACN 009 065 650 - non-renounceable rights issue - notice to security holders

SmartTrans Holdings Limited (**SmartTrans**) is pleased to have announced on 12 May 2015 a non-renounceable rights issue to eligible shareholders, on the basis of 1 new fully paid ordinary shares for every 7 shares held, at an issue price of \$0.02 per share (**New Shares**), with the issue of 1 attaching new option for every 2 New Shares allotted (**New Option**), to raise approximately \$5,509,095, based on SmartTrans' undiluted share capital (**Rights Issue**). The New Options will be exercisable at \$0.035 per Share and expire 24 months after their issue.

Assuming no existing options on issue in the Company are exercised, approximately 275,454,757 fully paid ordinary shares will be offered under the Rights Issue.

The Rights Issue is fully underwritten by Triple C Consulting Pty Ltd.

The Rights Issue will be available to all registered shareholders who hold shares on 21 May 2015 (**Record Date**) with registered addresses in Australia, New Zealand, Hong Kong or the Philippines (**Eligible Shareholders**).

In accordance with the Listing Rules of the ASX, SmartTrans has considered the number of shareholders with registered addresses in various jurisdictions outside of Australia, New Zealand, Hong Kong and the Philippines and the size of the shareholdings held by those shareholders. Taking this into consideration, as well as the costs of complying with the legal requirements and the requirements of the regulatory authorities relating to the shareholders with registered addresses in various jurisdictions outside of Australia, New Zealand, Hong Kong and the Philippines, the Company has formed the view that it is unreasonable to extend the Rights Issue to those shareholders. Accordingly, shareholders outside of Australia, New Zealand, Hong Kong and the Philippines, including shareholders in the United States, will not be entitled to participate in the Rights Issue.

The purpose of the Rights Issue is to raise approximately \$5,509,095, including the costs of the Rights Issue. The funds raised from the Rights Issue will be used to fund increased marketing of the Company's products and services in China and Australia to fast track growth, fund the costs of the Rights Issue and to provide working capital.

The proposed timetable for the Rights Issue is set out in the table below:

Further information

The Company anticipates that, approximately 275,454,757 New Shares will be issued (this number may have to be increased by a further 3,285,715 New Shares if all existing option holders exercise their options prior to the Record Date). The New Shares will be issued for \$0.02 each.

Upon completion of the Rights Issue, and assuming it is fully subscribed and that existing option holders do not exercise their options, the issued capital of SmartTrans will comprise approximately 2,203,638,056 shares and 165,727,379 unlisted options exercisable at prices ranging from \$0.02 to \$0.04 each with expiry dates ranging from 9 September 2016 to 11 May 2018.

The New Shares will rank equally in all respects with SmartTrans's existing shares. There will be no change to the dividend policy of the Company as a result of the Rights Issue.

Trading in the New Shares is expected to commence on 24 June 2015, the expected date for dispatch of the holding statements for the New Shares.
