Important notice

This presentation has been prepared by Steadfast Group Limited ("Steadfast").

This presentation contains general information in summary form which is current as at 17 June 2015. This presentation is not a recommendation or advice in relation to Steadfast or any product or service offered by Steadfast or its subsidiaries. It is not intended to be relied upon as advice to investors or potential investors, and does not contain all information relevant or necessary for an investment decision or that would be required in a prospectus or product disclosure statement prepared in accordance with the requirements of the Corporations Act 2001 (Cth). It should be read in conjunction with Steadfast's other periodic and continuous disclosure announcements filed with the Australian Securities Exchange, ASX Limited, and in particular the Steadfast 2014 Annual Report and the 31 December 2014 half year financial report. These disclosures are also available on Steadfast's website at investor.steadfast.com.au.

No representation or warranty, express or implied, is made as to the accuracy, adequacy or reliability of any statements, estimates or opinions or other information contained in this presentation. To the maximum extent permitted by law, Steadfast, its subsidiaries and their respective directors, officers, employees and agents disclaim all liability and responsibility for any direct or indirect loss or damage which may be suffered by any recipient through use of or reliance on anything contained in or omitted from this presentation. No recommendation is made as to how investors should make an investment decision. Investors must rely on their own examination of Steadfast, including the merits and risks involved. Investors should consult with their own professional advisors in connection with any acquisition of securities.

The information in this presentation remains subject to change without notice. No person is under any obligation to provide any recipient of this presentation with any access to any additional information or to notify any recipient or any other person of any other matter arising or coming to its notice after the date of this presentation.

The information in this presentation is for general information only. To the extent that certain statements contained in this presentation may constitute "forward-looking statements" or statements about "future matters", the information reflects Steadfast's intent, belief or expectations at the date of this presentation. Steadfast gives no undertaking to update this information over time (subject to legal or regulatory requirements). Any forward-looking statements, including projections, guidance on future revenues, earnings and estimates, are provided as a general guide only and should not be relied upon as an indication or guarantee of future performance. Forward-looking statements involve known and unknown risks, uncertainties and other factors that are outside Steadfast's control and may cause Steadfast's actual results, performance or achievements to differ materially from any future results, performance or achievements expressed or implied by these forward-looking statements. Any forward-looking statements, opinions and estimates in this presentation are based on assumptions and contingencies which are subject to change without notice, as are statements about market and industry trends, which are based on interpretations of current market conditions. Neither Steadfast, nor any other person, gives any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this presentation will actually occur. In addition, please note that past performance is no guarantee or indication of future performance. Possible factors that could cause our results or performance to differ materially from those expressed in our forward looking statements include the risk factors set out on pages 30-32 of Steadfast 2014 Annual Report.

This presentation does not constitute an offer to issue or sell securities or other financial products in any jurisdiction. The distribution of this presentation outside Australia may be restricted by law. Any recipient of this presentation outside Australia must seek advice on and observe any such restrictions. This presentation may not be reproduced or published, in whole or in part, for any purpose without the prior written permission of Steadfast.

Local currencies have been used where possible. Prevailing current exchange rates have been used to convert local currency amounts into Australian dollars, where appropriate. 6. Perform due diligence incl. financial, legal & tax
7. Close the deal
8. Transition the business into the family

Not afraid to walk away

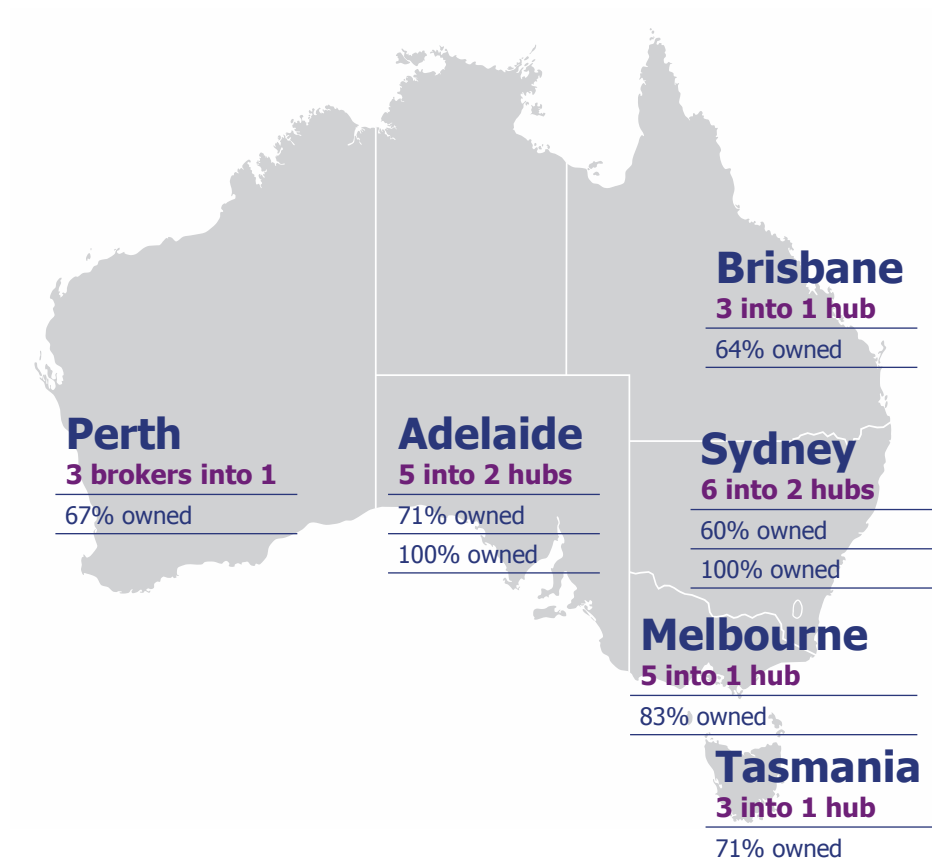

We view numerous deals that do not complete with the primary reasons being:

1. Culturally incompatible
2. Vendor expectations too high
3. Not part of our core business
4. Endless negotiation and deal fatigue
5. Margins too low
