The Company’s commitment to corporate governance

The Board is committed to a high standard of corporate governance practices ensuring that the Company complies with the Corporations Act, Listing Rules, the Company’s Constitution and other applicable laws and regulations. Good corporate governance is a fundamental part of the culture and business of the Company.

The Company has followed the ASX Corporate Governance Council’s Principles and Recommendations (third edition) where the Board has considered the recommendations to be an appropriate benchmark for the Company’s corporate governance practices. Where, after due consideration, the Company’s corporate governance practices depart from a recommendation, the Board has offered full disclosure and reason for adoption of its own practice, in compliance with the “if not, why not” regime.

The Directors monitor the business affairs of the Company on behalf of its Shareholders and have adopted this Corporate Governance Statement to encourage the Directors to focus their attention on accountability, risk management and ethical conduct. A description of the Company’s main corporate governance practices is set out below. All these practices, unless otherwise stated, were in place for the entire year. The Board continues to review the framework and practices to ensure they meet the interests of its Shareholders.

Recommendation 1.1 - Roles and responsibilities of the Board and Senior Executives

The Board has adopted a Board Charter which sets out the roles and responsibilities of the Board and its governance requirements. The Board Charter clearly articulates the division of responsibilities between the Board and Senior Executives to help manage expectations and avoid misunderstandings about their respective roles and responsibilities. A copy of the Board Charter can be found on the Company’s website.

Recommendation 1.2 – Checks on Board candidates and provision of information to Shareholders

The Company undertakes appropriate checks before appointing a person or putting forward to Shareholders a candidate for election as a Director of the Company. The Remuneration and Nomination Committee’s Charter requires the Committee to undertake background checks and provide Shareholders with all relevant information. A copy of the Company’s Remuneration and Nomination Committee’s Charter is accessible on the Company’s website.

The Company endeavours to provide the following information to Shareholders to enable the Shareholders to make an informed decision as to the candidate’s character, experience, education, criminal record and bankruptcy history:

(a) biographical details, including their relevant qualifications and experience and the skills they bring to the Board;

(b) details of any other material Directorships currently held by the candidate;

(c) in the case of a candidate standing for election as a Director for the first time:

   • any material adverse information revealed by the checks the Remuneration and Nomination Committee has undertaken on the candidate;

Each member of the Senior Executive team has signed a formal employment contract covering a range of matters including their duties, rights, responsibilities and any entitlements on termination. The standard contract refers to a specific formal job description. This job description is reviewed by the Board on an annual basis and, where necessary, is revised in consultation with the relevant employee.

5 Recommendation 1.4 – Company secretary is accountable to the Board

The Company Secretary plays an important role in supporting the effectiveness of the Board and its committees. The Company Secretary is accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board.

6 Recommendation 1.5 - Diversity Policy

The Company values diversity and recognises the benefits it can bring to the organisation’s ability to achieve its goals. Accordingly, the Company has developed a Diversity Policy which is available on the Company’s website. This policy outlines the Company’s diversity objectives in relation to gender, age, cultural background and ethnicity. It includes requirements for the Board to establish measurable objectives for achieving diversity, and for the Board to assess annually both the objectives, and the Company’s progress in achieving them.

The Board will abide by the following principles:

(a) the Board is to establish measurable Board gender diversity objectives and assess annually the objectives and progress in achieving them;

(b) the Company is to maintain a mix of Directors on the Board from different backgrounds with complementary skills and experience; and

(c) the Board is required to undertake an annual Board performance review and consider the appropriate mix of skills required by the Board to maximise its effectiveness and its contribution to the Company.

The Company will disclose at the end of each reporting period the measurable objectives for achieving gender diversity set by the Board or a relevant committee with the Company's Diversity Policy and its progress towards achieving them.

In line with the ASX Corporate Governance Principles and Recommendations the Board expects to set the measurable objectives in the ensuing year.

7 Recommendation 1.6 – Process for the periodic evaluation of the Board

On an annual basis the Remuneration and Nomination Committee conducts a review of the Board structure, composition and performance and also reviews the performance of the Board committees and individual Directors. The Remuneration and Nomination Committee has developed an informal annual self-assessment process for its collective performance, the performance of the Chair and its committees. A questionnaire is to be completed by each Director, evaluating his or her individual performance, that of other Board members and of the Board as a whole. The results and any action plans are to be documented together with specific performance goals which are to be agreed for the coming year.

A member of the Remuneration and Nomination Committee who is a non-executive Director will be responsible for the performance evaluation of the Chair after having canvassed the views of the other Directors.

The Remuneration and Nomination Committee will ensure that a performance evaluation is undertaken in relation to each reporting period.

8 Recommendation 1.7 – Process for the periodic evaluation of Senior Executives

The Company has developed a process for the annual appraisal of Senior Executives measuring performance in ten areas, including contribution to the overall success of the business. The appraisal is designed to measure success in achieving objectives set for the past twelve months and to set objectives for the ensuing twelve months. Succession planning is also built into the appraisal process to encourage development of future leaders within the Company.
9 **Recommendation 2.1 and Recommendation 8.1 – Remuneration and Nomination Committee**

Currently the size of the Board is not sufficient to warrant two separate committees for Remuneration and Nomination. As a result, the Company has established a combined Remuneration and Nomination Committee.

The Committee’s Members are:

- Alison Sherry - Chair (appointment effective August 2015)
- Wesley Coote - Member
- Susan Forrester - Member

The Charter of the Remuneration and Nomination Committee is available on the Company’s website.

In accordance with its Charter, the Remuneration and Nomination Committee is responsible for ensuring that the Company’s executive remuneration policies, practices and procedures are:

(a) aligned with the Company’s overall business objectives and market practice;
(b) motivate executives to pursue the Company’s long term growth;
(c) demonstrate a clear relationship between the Company’s performance and performance of executives; and
(d) align the interests of executives with the creation of value for Shareholders.

The Remuneration and Nomination Committee will ensure that the number of times the committee meets throughout the relevant reporting period and the individual attendances of the members at those meetings are disclosed.

10 **Recommendation 2.2 – Board skills matrix**

The Board considers that a diverse range of skills, background, knowledge and experience is required in order to effectively govern the Company. The Board has developed a skills matrix to help identify any gaps in the collective skills of the Board skills and diversity that the Board currently has or is looking to achieve in its membership. The Board regularly evaluates the mix of skills, experience and diversity of background, skills and perspectives will be effective in supporting and enabling delivery of good corporate governance and value for Shareholders.

When the need for a new Director is identified, the required experience and competencies of the new Director are defined in the context of this matrix and any gaps that may exist.

The Directors believe that the Board is of an appropriate size and has the requisite commitment, diversity and mix of skills to enable it to discharge it duties effectively. The Board had adopted a Board Competencies Matrix which sets out the mix of “competencies” that the Board, strives as far as reasonably possible, to achieve within the Board. The Board Competencies Matrix is attached as Annexure A to this document.

11 **Recommendation 2.3 – Directors’ independence**

The Board has adopted specific principles in relation to Directors’ independence. These state that to be independent, a Director must be a non-executive Director and:

(a) not be a substantial Shareholder of the Company or an officer of, or otherwise associated directly with, a substantial Shareholder of the Company;
(b) within the last three years, not have been employed in an executive capacity by the Company or any other Group member, or been a Director after ceasing to hold any such employment;

(c) within the last three years not have been a principal of a material professional adviser or a material consultant to the Company or any other Group member, or an employee materially associated with the service provided;

(d) not be a material supplier or customer of the Company or any other Group member, or an officer of or otherwise associated directly or indirectly with a material supplier or customer;

(e) must have no material contractual relationship with the Company or a controlled entity other than as a Director of the Group;

(f) be free from any interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with the Directors’ ability to act in the best interests of the Company; and

(g) must not have any close family ties with any person who falls within any of the categories described above.

Materiality for these purposes is determined on both quantitative and qualitative bases. An amount of over 5% of annual turnover of the Company or Group or 5% of the individual Director’s net worth is considered material for these purposes.

In addition, a transaction of any amount or a relationship is deemed material if knowledge of it may impact the Shareholders’ understanding of the Directors’ performance.

Recent thinking on corporate governance has introduced the view that a Directors’ independence may be perceived to be impacted by lengthy service on the Board. To avoid any potential concerns, the Board has determined that a Director will not be deemed independent if he or she has served on the Board of the Company for more than ten years.

Having regard to the factors listed above Susan Forrester, Stephen Coles and Wesley Coote are considered by the Board to be independent Directors. Susan Forrester, Stephen Coles and Wesley Coote were appointed to the Board on 5 February 2015.

The Board does not consider Tomas Steenackers to be an independent Director as he has been employed by the company in an executive capacity.

All new Directors are provided with an induction including comprehensive meetings with the CEO, Senior Executives and management and the
provision of information on the Company including Company and Board policies and other material documents.

All Directors are expected to maintain the skills required to effectively discharge their duties and obligations to the Company. Directors are strongly encouraged to undertake continuing professional development education.
