

## CORPORATE GOVERNANCE STATEMENT 2015

### 1. INTRODUCTION

Prairie Mining Limited (**Prairie or Company**) and the entities it controls believe corporate governance is a critical pillar on which business objectives and, in turn, shareholder value must be built.

The Board has adopted a suite of charters and key corporate governance documents which articulate the policies and procedures followed by Prairie.

These documents are available in the Corporate Governance section of the Company's website, [www.pdz.com.au](http://www.pdz.com.au). These documents are reviewed at least annually to address any changes in governance practices and the law.

This Corporate Governance Statement (**Statement**) explains how Prairie complies with the ASX Corporate Governance Council's '*Corporate Governance Principles and Recommendations – 3rd Edition*' (**ASX Principles or Recommendations**), which were published on 27 March 2014 in relation to the year ended 30 June 2015.

In addition to the ASX Corporate Governance Council's '*Corporate Governance Principles and Recommendations – 3rd Edition*' the Board has taken into account a number of important factors in determining its corporate governance policies and procedures; including the:

- relatively simple operations of the Company, which currently only undertakes mineral exploration and development activities;
- cost verses benefit of additional corporate governance requirements or processes;
- size of the Board;
- Board's experience in the resources sector;
- organisational reporting structure and number of reporting functions, operational divisions and employees;
- relatively simple financial affairs with limited complexity and quantum;
- relatively small market capitalisation and economic value of the entity; and
- direct shareholder feedback.

#### Principle 1: Lay solid foundations for management and oversight

RECOMMENDATION	PRAIRIE'S COMPLIANCE WITH RECOMMENDATIONS	RECOMMENDATION FOLLOWED IN FULL FOR WHOLE OF 2015 YEAR?
1.1 Role of Board and management	The Board has established a clear distinction between the functions and responsibilities reserved for the Board and those delegated to management, which are set out in the Company's Board Charter.  A copy of the Board Charter is available in the Corporate Governance section of the Company's website, <a href="http://www.pdz.com.au">www.pdz.com.au</a> .	Yes
1.2 Information regarding election and re-election of director candidates	Prairie carefully considers the character, experience, education and skillset of potential candidates for appointment to the Board and conducts appropriate background checks to verify the sustainability of the candidate, prior to their election.  Based on the Company's level of knowledge of the potential candidate, these may include checks as to the person's character, experience, education, criminal record, and bankruptcy history. However, the Company did not comply with this recommendation during the 2015 year to the extent that it did not conduct criminal record checks for those Directors appointed during the year as the candidates were already well known to the Board.  The Company has appropriate procedures in place to ensure that material information relevant to a decision to elect or re-elect a director, is disclosed in the relevant notice of meeting provided to shareholders. Director profiles	No

	are also included in the Director's Report of the Company's Annual Report.	
1.3 Written contracts of appointment	<p>In addition to being set out in the Board Charter, the roles and responsibilities of Directors are also formalised in the letter of appointment which each Director receives and commits to on their appointment.</p> <p>The letters of appointment specify the term of appointment, time commitment envisages, expectations in relations to committee work or any other special duties attaching to the position, reporting lines, remuneration arrangements, disclosure obligations in relation to personal interests, confidentiality obligations, insurance and indemnity entitlements and details of the Company's key governance policies.</p> <p>Each Key Management Personnel ("KMP") enters into a service contract which sets out the material terms of employment, including a description of position and duties, reporting lines, remuneration arrangement and termination rights and entitlements. Contract details of KMP are summarised in the Remuneration Report of the Company's Annual Report.</p> <p>The Company did not have a letter of appointment in place for all directors at 30 June 2015. However as at the date of this Statement, all Directors have in place a letter of appointment.</p>	No
1.4 Company Secretary	<p>The Company Secretary reports directly to the Board through the Chairman on Board matters and all Directors have access to the Company Secretary.</p> <p>In accordance with the Company's Constitution, the appointment or removal of the Company Secretary is a matter for the Board as a whole. Details of the Company Secretary's experience and qualifications are set out in the Directors' Report of the Company's Annual Report.</p>	Yes
1.5 Diversity	<p>The Company has not adopted a Diversity Policy, nor has it established measurable objectives for achieving gender diversity for the 2015 year.</p> <p>The Company recognises that a diverse and talented workforce is a competitive advantage and encourages a culture that embraces diversity. However, the Board considers that the Company is not currently of a size to warrant the time and cost of adopting a Diversity Policy and setting measurable objectives for achieving gender diversity. The Board will review its position and may adopt a Diversity Policy and develop measurable objectives when the Company's operations increase.</p> <p>At the date of this Statement, the Company has 1 female director and no female senior executives. At the date of this Statement, the Company had 12 male and 6 female full time equivalent employees/contractors.</p>	No
1.6 Board reviews	<p>The Board has not conducted a formal performance evaluation. The Company is a junior resources company and the Board believes that a formal performance evaluation is not required at this point in time and that that no efficiencies or other benefits would be gained from a formal performance evaluation.</p> <p>The Chairman is responsible for evaluating the Board and informal discussions are undertaken during the course of the year. As the Company grows and develops, it will continue to consider the efficiencies and merits of a more formal performance evaluation of the Board, its committees and individual Directors.</p>	No
1.7 Management reviews	<p>Each year the Board evaluates the performance of its KMP against Key Performance Indicators ("KPI's") as set by the Board.</p> <p>Details of the process followed are set out in the Remuneration Report of the Company's Annual Report. For the 2015 year, the Board undertook a performance evaluation of its KMP in accordance with that process.</p>	Yes
