ASX Announcement

Welcome to TerraCom Limited

Guildford Coal Limited (**Guildford or the Company) (ASX: GUF)** is pleased to advise that following overwhelming shareholder approval at an EGM on 30 October 2015, the Company has adopted a new brand name: TerraCom Limited (**TerraCom or the Company) (ASX: TER).**

Effective 19 November 2015, Guildford securities will trade in the name of TerraCom Limited, with the new ASX code: TER.

The Company's new web address is www.terracomresources.com. This will also commence on 19 November 2015.

The transition to a new brand will assist TerraCom in delivering value to shareholders as it implements a growth strategy. It heralds an exciting new chapter in the development of a multi-jurisdictional resources Company.

ABOUT TERRACOM: www.terracomresources.com

TerraCom Limited has fully commissioned the Baruun Noyon Uul (BNU) coking coal mine in the South Gobi Mongolia. The Company's goal is to become one of the largest and highest quality coking coal producers in Mongolia, providing exceptional value for its steel-producing customers. TerraCom is also focused on developing two priority projects in Queensland, Australia: the large thermal coal Northern Galilee Project and the high energy prime thermal coal Springsure Project.
