1        This statement has been prepared under accounting policies which comply with  
accounting standards as defined in the Corporations Act or other standards  
acceptable to ASX (see note 4).

2        This statement does give a true and fair view of the matters disclosed.

## Notes

- 1 The quarterly report provides a basis for informing the market how the entity's  
activities have been financed for the past quarter and the effect on its cash  
position. An entity wanting to disclose additional information is encouraged to  
do so, in a note or notes attached to this report.
- 2 The "Nature of interest" (items 6.1 and 6.2) includes options in respect of  
interests in mining tenements acquired, exercised or lapsed during the  
reporting period. If the entity is involved in a joint venture agreement and  
there are conditions precedent which will change its percentage interest in a  
mining tenement, it should disclose the change of percentage interest and  
conditions precedent in the list required for items 6.1 and 6.2.
- 3 **Issued and quoted securities** The issue price and amount paid up is not  
required in items 7.1 and 7.3 for fully paid securities.
- 4 The definitions in, and provisions of, *AASB 1022: Accounting for Extractive  
Industries* and *AASB 1026: Statement of Cash Flows* apply to this report.
- 5 **Accounting Standards** ASX will accept, for example, the use of International  
Accounting Standards for foreign entities. If the standards used do not address  
a topic, the Australian standard on that topic (if any) must be complied with.
