# Greencross Limited

The Pet Company

MACQUARIE AUSTRALIA CONFERENCE

MAY 2016

# Introduction

For personal use only

# Greencross is an integrated pet care company with a clear growth strategy

For personal use only

## Standout leader in the ANZ Pet Market

- More stores and clinics than nearest 4 competitors combined
- Single largest provider of pet services, number one in vet practices and grooming services
- Australasia's largest employer of vets (over 400)
- Passionate team committed to excellent service

## Multiple Growth Drivers

- Strong network pipeline with target portfolio of >350 stores and > 350 vet clinics
- Significant opportunity for "in store" co-located vet practices, grooming salons and DIY dog wash
- Targeting online #1
- Margin opportunities from scale and increased sales of private label and exclusive products
- Higher customer engagement driving increased spending

## Integrated offering driving customer engagement

- Over 1.8 million active customers with > 80% retail swipe rate
- One stop shop – products, veterinary care, grooming, DIY dogwash and specialty medical
- Cross selling opportunities increasing engagement
- Multi channel offer, with growing online and digital presence

## Strong financial performance and cash generation

- Track record of revenue, EBITDA and earnings growth
- Consistent LFL sales growth
- Cash generative business model

# The ANZ pet sector is resilient and growing

Greencross' addressable market in ANZ is estimated to be approaching A\$9 billion and growing at ~3% per year supported by demographic and social trends

For personal use only

- Large and highly fragmented addressable market of ~\$9 billion
- Services represent almost 50% of the market
- Future growth driven by humanisation, premiumisation & higher uptake of services
- Greencross, the leading market specialist, currently has only ~8% market share

Australian and New Zealand pet care market (\$A billion)<sup>1</sup>

# Integrated pet care - a winning strategy

- Humanisation of pets is increasing the need for excellent, affordable and accessible pet care offerings
- Our unique integrated petcare model delivers on this need
- We are increasingly offering pet owners ALL they need, where they need it, in a convenient, engaged, accessible and affordable way
- Pets and their owners are at the centre of all we do
- Integrated model has been proven offshore

For personal use only

# Greencross has significant growth runway

## Greencross has <10% market share in the ~\$9 billion ANZ pet market<sup>1</sup>

- ✓ Multi store formats provide flexibility and strong pipeline of available, suitable retail sites
- ✓ Co-located “in store” clinics offer attractive alternative to vet acquisitions - being accelerated
- ✓ Target to be #1 in online – a true omni channel pet care company
- ✓ Integrated, one stop shop model proving the winning strategy

Market	Market Size	Our position	Current	Target
Pet Retail	\$4.6 B	#1	221 stores	>350 stores
Vet	\$2.6 B	#1	155 clinics (including 17 “in store”)	>350 clinics (including >150 “in store”)
Online	\$150M	#3 <sup>2</sup>	\$10 million turnover	\$100 million turnover
Grooming	\$100M	#1	62 grooming salons	>100 salons

1. Management estimates  
2. Pet specialty (excludes supermarkets)

# The roll out of co-located “in-store” clinics is being accelerated

“In store” co-located vet clinics have more attractive economics than standalone vet acquisitions

## Accessible, affordable veterinary care

- Modern, *fully equipped veterinary clinics* conveniently located staffed by engaged and incentivised vet partner
- Strong customer acceptance with strong cross referral accelerating revenue build and return
- Internationally proven model (in UK > 50% of Pets At Home stores have an “in-store” clinic)
- Efficient use of existing store m<sup>2</sup> increasing profitability and return on capital. Payback in 3.5 years compared to 4 to 5 years for acquisitions. Higher forecast ROIC.
- *Our retail store network represents a unique strategic advantage for veterinary network expansion*

## Strong results support accelerated roll out

- **Greencross is now targeting 30 “in store” clinics by the end of FY2017**
- FY2015 “in store” clinics are performing *ahead of business case*, reaching profitability in year 1 and delivering \$0.6m pa per clinic i.e. 75% of projected year 4 revenue. Payback <3.5 years. Revenue is pure, high margin, clinical income
- 14 co-located “in store” vets added in FY2016 bringing total to 17
- ~50% of existing retail stores can accommodate a vet clinic

## Actual and target “in store” clinic numbers

# Private label sales now represent 18% of Australian retail sales revenue<sup>1</sup>

Our medium term target for private label sales is 25%

## Private label and exclusive ranges deliver

- Innovative, high quality offerings
- Great value proposition for our customers
- Increase customer loyalty and stickiness to exclusive products
- Increased gross margin in key categories
- Enhanced range and customer choice

## Private label sales as a % of Australian retail sales

## Leaps & Bounds due to launch by the end of FY2016

1. 12 months ending 31 December 2015

For personal use only

# Supply chain update

## Greencross' supply chain is performing well

- Top 1000 (80% sales) in-stocks are being maintained at > 95%, whilst improving inventory turns
- Greencross has engaged in direct supply arrangements with all major suppliers and exited wholesale food supply arrangements
- Extended DC operations from Sydney, Melbourne and Perth to Brisbane (March) to enable regional distribution capability of our fastest lines, with an expanded Melbourne DC operation expected later this year
- Greencross has taken direct control of its NSW supply chain operations at Eastern Creek in Sydney, which were previously outsourced to a third party logistics provider
- Transitioning the primary DC to in house operation will provide Greencross with a number of benefits
  - increased control of its supply chain
  - greater flexibility to support our multi-channel service needs
  - capacity to grow services with a strong focus on cost control and cash generation
- Transition has been seamless, with no supply disruptions
- Greencross' regional distribution centre operations in Brisbane, Perth and Melbourne will be operated by third party logistics providers however this will be reviewed on an ongoing basis having regard to the objective of balancing supply chain efficiency and flexibility

## A feel good milestone – 5,000 pet adoptions in FY2016 (that's 5,000 lives saved)

- The Pet Foundation was established in 2012 with a purpose of providing support for charity organisations, that dedicate their time and effort into caring for animals in need
- The Pet Foundation's mission is 'to enrich the lives of pets and people who love and need them' and to raise much needed funds for our charity partners
- We have made 5,000 adoptions in FY2016 YTD and 16,000 adoptions since our pet adoption program was first introduced
- Over 100 Petbarn and City Farmers stores now have pet adoption centres to help save the lives of animals by finding them a loving home
- We have raised over \$1 million for charity this year through successful fundraising initiatives including:
  - Christmas giving tree appeal
  - Hedgehog plush toy
  - Advent calendars

New Zealand

# Overview of our NZ business

## Greencross has a well established and fast growing integrated pet care business in New Zealand

- Greencross operates 32 pet retail stores in New Zealand under the Animates brand
- Animates has operated for over 20 years and is the leading specialty pet retailer in New Zealand
- Animates is a 50:50 Joint Venture with EBOS, a dual ASX/NZX listed healthcare company
- In addition to our retail business, Greencross entered into the New Zealand veterinary market in 2015 and already operates 8 veterinary clinics
- Our NZ business is achieving robust growth – having delivered 7.3% LFL sales growth in H1 FY2016
- There is still a significant opportunity for us to grow our position in the New Zealand market

For personal use only

# The NZ pet market is worth ~A\$1.5 billion

New Zealand is a nation of pet lovers and has the highest rate of pet ownership in the world. 68% of New Zealand households have at least one companion animal.

	Australia	New Zealand
Population (m)	24	4.5
Household pet ownership (%)	63%	68%
Dogs (m)	4.2	0.7
Cats (m)	3.4	1.4
Pet care market – food, accessories, healthcare and other products (A\$ billion) <sup>1</sup>	3.9	0.7
Veterinary market (A\$ billion) <sup>1,2</sup>	2.1	0.5
Other pet services market (A\$ billion) <sup>1</sup>	1.2	0.3
Total pet market size (A\$ billion) <sup>1</sup>	7.2	1.5
Historic growth - pet food sales (5 year CAGR) <sup>1</sup>	2.7%	4.1%
