Perth WA 6000

Dear Frieda

Further to your letter dated 27 May 2016 received at approximately 8.55am WST, please find below our responses:

1. The Company was not aware of any information concerning it that has not been announced, which, if known, could be an explanation for the recent trading in the securities of the Company. The company would like to highlight the announcement made to the Australian Securities Exchange on 24 May 2016 relating to the Hadrian 105 and its "World First 3D Printed Multi-Room Structure" update. As part of this update, Fastbrick Robotics released a new corporate video demonstrating the revolutionary capabilities of the Hadrian 105 with the video being available for viewing on the Company's website <http://www.fbr.com.au>. Please refer to the announcement released 24 May 2016 and titled "Video: Fastbrick Constructs World's First 3D Printed Multi-Room Brick Structure" for further information.

2. Not Applicable

3. The Company would like to highlight its announcement to the Australian Securities Exchange on 24 May 2016 relating to the Hadrian 105 relating to the Hadrian 105 technology demonstrator and its "World First 3D Printed Multi-Room Structure" update.

The company believes that there has potentially been a lag in the markets distilling the information contained within the announcement on 24 May 2016, which may have led to the price and volume increase this morning. The The Company will continue to highlight to investors and the market the significance of the recent ASX announcements released in April and May 2016 and the milestones achieved.

4. The Company confirms that, to the best of its knowledge and belief, it is in compliance with listing rule 3.1

Yours sincerely

GABRIEL CHIAPPINI
Director & Company Secretary

About Fastbrick Robotics

Fastbrick Robotics has developed the world's latest innovation in mobile robotic technology that will vastly improve the speed, accuracy and safety of the global brick construction industry. Fastbrick Robotics is finalising the development of its prototype and will be progressing the development of the Hadrian 109 Commercial Prototype for commercial use in 2016/2017.

Dear Mr Chiappini,

FASTBRICK ROBOTICS LTD (“ENTITY”): ASX PRICE QUERY

We have noted a change in the price of the Entity’s securities from a close of \$0.021 on Thursday, 26 May 2016 to an intraday high at the time of writing of \$0.025 today, 27 May 2016. We have also noted an increase in the volume of trading in the Entity’s securities over this period.

In light of the price change and increase in volume, ASX asks you to respond separately to each of the following questions:

1. Is the Entity aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?
2. If the answer to question 1 is “yes”:
 - a) Is the Entity relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1?

Please note that the recent trading in the Entity’s securities would suggest to ASX that such information may have ceased to be confidential and therefore the Entity may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is “yes”, you need to contact us immediately to discuss the situation.

- b) Can an announcement be made immediately?

For personal use only

Please note, if the answer to this question is “no”, you need to contact us immediately to discuss requesting a trading halt (see below).

- c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?
3. If the answer to question 1 is “no”, is there any other explanation that the Entity may have for the recent trading in its securities?
4. Please confirm that the Entity is in compliance with the Listing Rules and, in particular, Listing Rule 3.1.

When and where to send your response

This request is made under, and in accordance with, Listing Rule 18.7. Your response is required as soon as reasonably possible and, in any event, by not later than **11am AWST today, 27 May 2016**. If we do not have your response by then, ASX will have no choice but to consider suspending trading in the Entity’s securities under Listing Rule 17.3.

You should note that if the information requested by this letter is information required to be given to ASX under Listing Rule 3.1 and it does not fall within the exceptions mentioned in Listing Rule 3.1A, the Entity’s obligation is to disclose the information “immediately”. This may require the information to be disclosed before the deadline set out in the previous paragraph.

ASX reserves the right to release a copy of this letter and your response on the ASX Market Announcements Platform under Listing Rule 18.7A. Accordingly, your response should be in a form suitable for release to the market.

Your response should be sent to me by e-mail at frieda.orr@asx.com.au and TradingHaltsPerth@asx.com.au. It should not be sent directly to the ASX Market Announcements Office. This is to allow me to review your response to confirm that it is in a form appropriate for release to the market, before it is published on the ASX Market Announcements Platform.

Listing Rule 3.1

Listing Rule 3.1 requires a listed entity to give ASX immediately any information concerning it that a reasonable person would expect to have a material effect on the price or value of the entity’s securities. Exceptions to this requirement are set out in Listing Rule 3.1A.

The obligation of the Entity to disclose information under Listing Rules 3.1 and 3.1A is not confined to, nor is it necessarily satisfied by, answering the questions set out in this letter.

In responding to this letter, you should have regard to the Entity's obligations under Listing Rules 3.1 and 3.1A and also to Guidance Note 8 *Continuous Disclosure: Listing Rules 3.1 – 3.1B*.

Trading halt

If you are unable to respond to this letter by the time specified above, or if the answer to question 1 is "yes" and an announcement cannot be made immediately, you should discuss with us whether it is appropriate to request a trading halt in the Entity's securities under Listing Rule 17.1.

If you wish a trading halt, you must tell us:

- the reasons for the trading halt;
- how long you want the trading halt to last;
- the event you expect to happen that will end the trading halt;
- that you are not aware of any reason why the trading halt should not be granted; and
- any other information necessary to inform the market about the trading halt, or that we ask for.

We may require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted.

You can find further information about trading halts in Guidance Note 16 *Trading Halts & Voluntary Suspensions*.

If you have any queries or concerns about any of the above, please contact me immediately.

Yours sincerely,
