IOT GROUP LTD. - BOARD OF DIRECTORS

NON-EXECUTIVE CHAIRMAN: Mr Scott Brown holds a Bachelor of Business and a Master of Commerce and is a member of the Institute of Chartered Accountants and the Petroleum Exploration Society of Australia (PESA). Scott is the Managing Director and Chief Executive Officer, as well as co founder of Real Energy Corporation Limited. Prior to this, he was the Chief Financial Officer of Mosaic Oil NL (ASX: MOS), a listed petroleum production and exploration company with an extensive range of oil and gas production and exploration permits in Queensland, New Zealand and offshore WA. During his time with Mosaic, he was involved in the acquisition of production properties and the growth of its business and profitability. He was instrumental in putting together a Scheme of Arrangement with AGL Energy Ltd to acquire Mosaic for consideration of \$142 Million. Scott has an extensive background in finance and the management of public companies including guiding numerous companies through the listing process. Prior to Mosaic Oil NL, Scott was Finance Director of Objective Corporation Limited ('Objective'), an enterprise content management (ECM) software company that established itself as one of the leaders in the ECM market. Scott was instrumental in the ASX listing of Objective. He was also formerly the Chief Financial Officer and Company Secretary for a number of public companies including Turnbull & Partners Limited, Allegiance Mining NL, FTR Holdings Limited and Garratt's Limited. He's also worked at 2 of the big four accounting firms, Ernst Young and KPMG.

EXECUTIVE DIRECTOR – BUSINESS STRATEGY: Ian Duffell is an English businessman with international experience in the Entertainment and Leisure Industries. Initially working in the UK as a Marketing Executive for Sony Corporation with responsibility for launching products such as the Walkman and Compact Disc. Moving into the music industry Ian was appointed as Managing Director of HMV, opening the world's largest music store in 1987. His International career began in 1987 as CEO of Virgin Entertainment Group heading up the company's expansion into the Asia- Pacific region. In 1992 he relocated to the United States of America opening more than 20 Virgin Megastores in a six-year period, including the landmark Times Square, New York City store. In 2001 he relocated back to Australia and joined Brazin Ltd as Managing Director, with a mandate to restructure the retail business portfolio and extend the music division into overseas markets. Following this success, he has been an investor and advisor to new ventures, capitalising on his broad International experience.

FOUNDER & EXECUTIVE DIRECTOR: Simon Kantor has spent the past 12 years working around the globe with leaders of innovative technology. He is known for thinking beyond the box and has consulted on projects with Google, Intel, IBM and Microsoft as well as major government organisations such as NSW Health, the Royal Australian Navy, and NATO. A key highlight in Simon's career is while he was at NSW Health, within four weeks he managed to successfully deploy optimisation software to over 130,000 users despite the \$30m. project being stagnant for 6 months prior to his arrival. Simon is truly a global citizen speaking multiple languages and having spent the majority of his career consulting for multinationals around the world.

Simon Kantor began his professional career in late 2004 when he was employed by Nu Solutions where he worked on several projects involving testing, correcting and developing code for some major Australian corporations including Westpac Bank, Macquarie Bank, Commonwealth Bank, NSW Rail and the Department of Community Services. Simon is the driving force behind the IoT Group and paving the way in innovative technology.
