RE: UPDATE ON HLG SHAREHOLDERS

CIMIC Group announces it has entered into a binding agreement with its two joint venture partners in HLG which will enable one of the shareholders, Al Habtoor Holding LLC, to transfer its shares to another partner Riad Al Sadik, subject to execution of final documentation.

CIMIC's shareholding is unchanged.

Mr Sadik co-founded Al Habtoor Engineering Enterprises in 1970 and has been a director of HLG since its inception in 2007.

As a result of the change in ownership, a strategic review of the HLG business will commence.

Sincerely,

Louise Griffiths
Company Secretary
