EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of Shareholders in relation to the business to be conducted at the Company's Extraordinary General Meeting to be held on Thursday, 2 March 2017 at 2.00pm (ACST) (**EGM**).

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the resolution in the accompanying Notice of Extraordinary General Meeting.

This Explanatory Statement should be read in conjunction with the Notice of Extraordinary General Meeting.

1. RESOLUTION 1– APPROVAL FOR SHARE CONSOLIDATION BETWEEN THE RANGE OF 1 FOR 20 TO 1 FOR 40 TO MEET THE NASDAQ SHARE PRICE LISTING REQUIREMENT

1.1 Background

As part of the NASDAQ ASX dual listing application announced on 4 November 2016, the Directors propose to consolidate the Company's share capital at the Directors' discretion within a range of conversion as follows;

- A range between one (1) ordinary share for every twenty (20) ordinary shares to one (1) ordinary share for every forty (40) ordinary shares (the "Share Consolidation").

The Directors propose to consolidate the shares of the Company in order to meet the NASDAQ share price listing requirement. In the event that the NASDAQ application does not proceed, the Directors will not consolidate the shares of the Company.

The Corporations Act 2001 provides that a Company may consolidate its shares if the consolidation is approved by an ordinary resolution. This section of the explanatory statement provides the information required by ASX Listing Rule 7.20 to be provided to shareholders in relation to the resolution.

1.2 Reasons for the proposal

The reasons for the proposal are as follows:

- The NASDAQ has a listing requirement that the minimum price per share for a Company to list on the exchange is US\$4 per share. The share consolidation aims to satisfy the NASDAQ's minimum price per share listing requirement and the range will allow the Directors to have some flexibility for changes in exchange rates and or the Company share price.
- The Share Consolidation is also expected to result in a more appropriate and effective capital structure for the Company and a share price more appealing to a wider range of investors globally.

1.3 Effect of the Share Consolidation

(a) Ordinary shares

If the resolution is approved, the Company's shares on issue will be consolidated at a ratio that the Directors determine between the range of 1-for-20 to 1-for-40 shares. For example, if the ratio chosen by the directors is 1-for 40, every forty shares on issue will be consolidated into 1 share (subject to rounding). Overall, this will result in the number of shares on issue reducing from 79,301,852 (as at 25 January 2017) to 1,982,559. The following table outlines the impact on the number of shares on issue for other ratios with the range;

CONSOLIDATION RANGE

	1:20	1:25	1:30	1:35	1:40
Pre Consolidation Shares on Issue	79,301,852	79,301,852	79,301,852	79,301,852	79,301,852
Post Consolidation Shares on Issue	3,965,101	3,172,078	2,643,610	2,265,898	1,982,559

As the Share Consolidation applies equally to all shareholders, individual shareholdings will be reduced in the same ratio as the total number of Company shares (subject to rounding). Accordingly, assuming no other market movements or impacts occur, the Share Consolidation will have no material effect on the percentage interest of each shareholder, the aggregate value of each shareholder's holding or the Company's market capitalization (other than minor changes as a result of rounding).

For example, using a ratio of 1-for-40 once again, a holding of 10,000 shares at a share price of A\$0.17 (aggregate value of A\$1,700) prior to the Share Consolidation should equate to a holding of 250 shares and a share price of A\$6.80 after the Share Consolidation (aggregate value of A\$1,700).

1.4 Rounding

Where the consolidation of a shareholder's holding results in an entitlement to a fraction of a share, the fraction will be rounded up to the next whole number of shares.

1.5 Holding Statements

From the effective date of the Share Consolidation, all existing holding statements will cease to have any effect, except as evidence of entitlement to a certain number of securities on a post-consolidation basis. New holding statements will be issued to security holders who should check their holdings after the Share Consolidation.

1.6 Tax implications of Share Consolidation

The Share Consolidation should not result in a capital gains tax (CGT) event for Australian tax residents. The cost base of the shares held after the Share Consolidation will be the sum of the cost bases of the original shares pre-consolidation. The acquisition date of shares held after the Share Consolidation will be the same as the date on which the original shares were acquired.

These statements do not consider the tax implications in respect of shares or securities held on revenue account, as trading stock, by non-resident shareholders. Shareholders should consider their own circumstances and seek their own professional advice in relation to their tax position. Neither the Company nor any of its officers or employees assumes any liability or responsibility for advising shareholders or securities holders about the tax consequences of the proposed Share Consolidation.

1.7 Indicative timetable

The proposed Share Consolidation, if approved by shareholders, will take effect, at the discretion of the Directors, as soon as possible in order to meet the NASDAQ share price listing requirement. The Directors anticipate that this will commence on 18 April 2017. An indicative timetable (subject to change) is as follows:

Event	Indicative Date
Following shareholder approval and subject to meeting the NASDAQ Share Price Listing Requirement, the Company announces commencement of Share Consolidation	18 April 2017
Last day for trading in pre-consolidated securities	19 April 2017
Trading in the consolidated securities on a deferred settlement basis commences	20 April 2017
Last day to register transfers on a pre-consolidation basis	24 April 2017
Registration of securities on a post consolidation basis	25 April 2017
Dispatch of new holding statements	1 May 2017

1.8 Recommendation

The Directors unanimously recommend that shareholders vote in favor of Resolution 1.

Level 7
420 King William Street
Adelaide, South Australia, 5000, Australia

YOUR VOTE IS IMPORTANT

VOTING IN PERSON

To vote in person, attend the Extraordinary General Meeting on the date and at the place set out above.

VOTING BY PROXY

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the proxy form.

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of the Company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. (If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.)

New sections 250BB and 250BC of the Corporations Act came into effect on 1 August 2011 and apply to voting by proxy on or after that date. Shareholders and their proxies should be aware of these changes to the Corporations Act, as they will apply to this Extraordinary General Meeting. Broadly, the changes mean that:

- if proxy holders vote, they must call all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does:**

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair on certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting;
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.
