ENTITLEMENT TO VOTE

For the purposes of regulation 7.11.37 and 7.11.38 of the Corporations Regulations 2001, the Company determines that a person's entitlement to vote at the AGM will be the entitlement of that person set out in the Register of Shareholders as at 5:00 pm WST time on 17 May 2017.

HOW TO VOTE

Voting in person or by attorney

A shareholder that is an individual may attend and vote in person at the meeting. If you wish to attend the meeting, please bring the enclosed proxy form to the meeting to assist in registering your attendance and number of votes. Please arrive 20 minutes prior to the start of the meeting to facilitate this registration process.

To be effective a certified copy of the Power of Attorney, or the original Power of Attorney, must be received by the Company in the same manner, and by the same time as outlined for proxy forms below.

Voting by corporate representative

A shareholder that is a corporation may appoint an individual to act as its representative to vote at the meeting in accordance with section 250D of the Corporations Act 2001 (Cth) ("**Corporations Act**"). The representative should bring to the meeting evidence of his or her appointment, including any authority under which the appointment is signed. The appropriate "Appointment of Corporate Representative" form should be completed and produced prior to admission to the meeting. This form may be obtained from the Company's share registry.

Voting by proxy

If you do not wish to attend the meeting, you may appoint a proxy to attend and vote on your behalf. A body corporate may also appoint a proxy. A proxy need not be a shareholder. If a representative of a corporate proxy is to attend the meeting, you must ensure that the appointment of the representative is in accordance with section 250D of the Corporations Act. The corporate representative should bring to the meeting evidence of his or her appointment, including any authority under which the appointment is signed. A form of the certificate may be obtained from the Company's share registry.

You are entitled to appoint up to 2 proxies to attend the meeting and vote on your behalf and may specify the proportion or number of votes that each proxy is entitled to exercise. If you do not specify the proportion or number of votes that each proxy is entitled to exercise, each proxy may exercise half of the votes. If you wish to appoint a second proxy, an additional proxy form may be obtained by telephoning the Company's share registry or you may copy the enclosed proxy form. To appoint a second proxy, you must follow the instructions on the proxy form.

If a proxy is not directed how to vote on an item of business, the proxy may generally vote, or abstain from voting, as they think fit. Should any resolution, other than those specified in this Notice, be proposed at the Meeting, a proxy may vote on that resolution as they think fit. If a proxy is instructed to abstain from voting on an item of business, they are directed not to vote on the Shareholder's behalf on the poll and the Shares that are the subject of the proxy appointment will not be counted in calculating the required majority.

Shareholders who return their Proxy Forms with a direction how to vote, but who do not nominate the identity of their proxy, will be taken to have appointed the Chair of the Meeting as their proxy to vote on their behalf. If a Proxy Form is returned but the nominated proxy does not attend the Meeting, the Chair of the Meeting will act in place of the nominated proxy and vote in accordance with any instructions. Proxy appointments in favour of the Chair of the Meeting, the secretary or any Director that do not contain a direction how to vote will be used, where possible, to support each of the Resolutions proposed in this Notice, provided they are entitled to cast votes as a proxy under the voting exclusion rules which apply to some of the proposed Resolutions. These rules are explained in this Notice.

Sections 250BB and 250BC of the Corporations Act took effect on 1 August 2011 and apply to voting by proxy. Shareholders and their proxies should be aware of these changes to the Corporations Act, as they will apply to this meeting. Broadly, the changes mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chairman of the Meeting, who must vote the proxies as directed.

DANAKALI LIMITEDNotice of Annual General Meeting 19 May 2017

If the proxy has two or more appointments that specify different ways to vote on a resolution, the proxy must not vote on that resolution on a show of hands.

The instrument appointing the proxy must be in writing, executed by the appointor or his attorney duly authorised in writing or, if such appointor is a corporation, either under seal or under hand of an officer duly authorised.

The Proxy Form must be signed by the Shareholder or the Shareholder's attorney. Proxies given by corporations must be executed in accordance with the Corporations Act. If facsimile transmission is used, the Power of Attorney must be certified.

To be valid, your proxy form (and an original or certified copy of any power of attorney or other authority under which it is signed) must be received at an address given below by 10am (WST) on 17 May 2017. Any proxy form received after that time will not be valid for the scheduled meeting.

1. Resolution 1 – Adoption of Remuneration Report

1.1 Introduction

As required by the Corporations Act, the Board is putting to its Shareholders a resolution that the Remuneration Report as disclosed in the Company's 2016 Annual Report be adopted.

5. Resolution 5 – Issue of Remuneration Options to Mr Seamus Ian Cornelius

5.1 Introduction

Fees and payments to non-executive Directors reflect the demands which are made on, and the responsibilities of the directors. Non-executive Directors are remunerated with both cash salary and annual option grants to enable the company to preserve cash reserves and to align the Directors interests to those of the shareholders. The Board views this approach to be reasonable relative to the stage of development of its flagship project.

The general principles of non-executive Directors compensation are disclosed in the Remuneration Report included in the 2016 Annual Report.

The Company proposes to issue 300,000 Remuneration Options to Mr Seamus Ian Cornelius, a Director, or his nominee in recognition for his time and effort put into the Company during the past year.

Each Remuneration Option will be granted for no monetary consideration with an exercise price of 1.40 times the VWAP of the Shares over the thirty Trading Days immediately prior to shareholder approval of the Remuneration Options and will expire on 19 May 2020. 11.1 General

The Company seeks Shareholder approval to issue Equity Securities up to 10% of its issued share capital over a 12-month period following shareholder approval (**10% Placement Facility**).

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section 7.3(a) below). The Equity Securities may be issued for the following purposes:

- (i) to raise funds, in which case the Company intends to use the funds raised to support the execution of the development activities of the Colluli Potash Project and/or general working capital; or
- (ii) an acquisition of new assets or investments (including expense associated with such acquisition), continued exploration and expenditure on the Company's current assets; or
- (ii) in consideration of the acquisition of new resources assets and investments, in which case the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3.

11.2 Directors' recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 11. This will allow the Company to issue securities and raise funds whilst preserving the Company's 15% annual limit permitted by Listing Rule 7.1.

11.3 Listing Rule 7.1A

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital over a 12-month period following the annual general meeting at which a resolution for the purposes of Listing Rule 7.1A is passed by way of a special resolution. The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalization of \$300 million or less.

The Company has a market capitalisation of \$159,436,228 as at 7 April 2017 and therefore the Company is an eligible entity for the purposes of Listing Rule 7.1A.

The effect of Resolution 11 will be to permit the Company to issue the Equity Securities under Listing Rule 7.1A during the Additional Placement Period (as defined below) without using the Company's 15% placement capacity under Listing Rule 7.1.

Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. Shareholders should note that the calculation of the number of Equity Securities permitted to be issued under the 10% Placement Facility is a moving calculation and will be based the following formula:

- (a) Maximum number of Equity Securities which may be issued

The number of Equity Securities which may be issued, or agreed to be issued, under the 10% Placement Facility is prescribed in Listing Rule 7.1A.2 and is calculated as follows:

$$\text{Number of Equity Securities} = (A \times D) - E$$

- “A” the number of shares on issue 12 months before the date of issue or agreement:
- A. plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
 - B. plus the number of partly paid shares that become fully paid in the 12 months;
 - C. plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity’s 15% placement capacity without shareholder approval;
 - D. less the number of fully paid shares cancelled in the 12 months.
- “D” is 10%
- “E” is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

The actual number of Equity Securities that may be issued under Listing Rule 7.1A is calculated at the date of issue of the Equity Securities in accordance with the above formula.

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity’s 15% placement capacity under Listing Rule 7.1.

As at the date of this Notice, the Company has 226,150,678 Shares and 24,332,185 options and 1,108,000 Performance Rights on issue. As a result, based on the number of Shares on issue at the date of this Notice, the Company has capacity to issue:

- (i) 31,422,602 Equity Securities under Listing Rule 7.1; and
- (ii) 22,615,068 Equity Securities under Listing Rule 7.1A, subject to Shareholder approval being obtained under this Resolution 11.

- (b) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in the relevant class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in section (i) above, the date on which the Equity Securities are issued.

11.4 Specific information required by Listing Rule 7.3A

For the purposes of Listing Rule 7.3A, the following information is provided about the proposed issue:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company’s Equity Securities over the 15 Trading Days on which trades in the relevant class were recorded immediately before:
- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 Trading Days of the date in section (i) above, the date on which the Equity Securities are issued.

- (b) There is a risk of economic and voting dilution to existing Shareholders in issuing Equity Securities under the 10% Placement Facility, if it is approved by Shareholders, including the risks that:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than when Shareholders approve the 10% Placement Facility; and
 - (ii) as consideration (or part thereof) for the acquisition of a new asset, both of which may have an effect on the amount of funds raised by the issue of Equity Securities under the 10% Placement Facility.

Following is a table that sets out the potential dilution of existing Shareholders if Equity Securities are issued under the 10% Placement Facility:

Variable "A" in Listing Rule 7.1A.2	Number of Shares issued and funds raised under the 10% Placement Facility and dilution effect	Dilution		
		\$0.353 50% decrease in Issue Price from current market price	\$0.705 Issue Price at current market price	\$1.41 100% increase in Issue Price from current market price
Current Variable A 226,150,678 Shares	Shares Issued	22,615,068	22,615,068	22,615,068
	Funds Raised	\$7,983,119	\$15,943,623	\$31,887,246
	Dilution	10%	10%	10%
50% increase in current Variable A 339,226,017 Shares	Shares Issued	33,922,602	33,922,602	33,922,602
	Funds Raised	\$11,974,679	\$23,915,434	\$47,830,868
	Dilution	10%	10%	10%
100% increase in current Variable A 452,301,356 Shares	Shares Issued	45,230,136	45,230,136	45,230,136
	Funds Raised	\$15,966,238	\$31,887,246	\$63,774,491
	Dilution	10%	10%	10%

The table has been prepared on the following assumptions:

- (i) The Company issues, or agrees to issue, the maximum number of Equity Securities available under the 10% Placement Facility.
- (ii) The Company has no listed options that may be exercised into Shares before the date of the issue of the Equity Securities and no options are exercised before the date of the issue of Equity Securities;
- (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (iv) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Listed Options, it is assumed that those Listed Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (v) None of the other securities contemplated by this Notice are issued.

The current market price used is \$0.705 being the closing price of the Shares on ASX on 7 April 2017.

The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.

The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

For personal use only

Approval of the 10% Placement Facility will be valid during the period (**Additional Placement Period**) from the date of the Meeting and will expire on the earlier of the date that is 12 months after the date of the Meeting and the date that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities or Listing Rule 11.2 (disposal of main undertaking).

- (c) The Equity Securities may be issued for the following purposes:
- (i) to raise funds, in which case the Company intends to use the funds raised to support the execution of the development activities of the Colluli Potash Project and/or general working capital; or
 - (ii) an acquisition of new assets or investments (including expense associated with such acquisition), continued exploration and expenditure on the Company's current assets; or

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
