Pacific Smiles joins Zip and Health Sector Update

zipMoney Limited (ASX: ZML) (“Zip”, “zipMoney”, or the “Company”) is delighted to announce that Pacific Smiles Group (ASX: PSQ) (**Pacific Smiles**), one of Australia’s largest branded dental networks, has joined the zipMoney interest-free payments platform.

Pacific Smiles is a leading, ASX-listed dental group operating in a \$9 billion industry. Over 350 dentists provide approximately 600,000 dental appointments each year across 70 centres nationwide. It offers a range of general, family and cosmetic dental treatments including implants as well as specialist services such as orthodontics. The Zip payments solution has been designed to support early intervention and compliance for treatment plans, the cornerstone for providing the best possible dental care.”

Health Sector Update

Pacific Smiles represents the addition of another major enterprise account onto the platform, and follows strong growth, specifically in the health sector since the beginning of 2017.

Some sector highlights observed over the year (since January) include:

- Average month-over month growth of transactions +70%
- Average month-over-month growth of clinics +30%
- More than 500 clinics currently accepting Zip throughout Australia

zipMoney CEO and Managing Director, Larry Diamond said: "Our digital, mobile-first solution with its focus on flexibility, transparency and responsibility has driven our strong growth across the sector. Our commitment to supporting patients closely aligns with the mission of general health providers. We expect a number of integrations with core health practice systems over the next 6 months."

Zip also recently expanded into the \$3 billion veterinary services market and has already signed a number of key accounts in this segment.
