Saudi Aramco awards Marjan Oil Field FEED services

WorleyParsons has been awarded the project management and front end engineering and design (FEED) services for the offshore oil and gas facilities portion and the onshore upstream and downstream pipelines portion of Saudi Aramco's Marjan Oil Field Development Program.

Under the agreement, WorleyParsons will provide project management and FEED services. The services will be executed from WorleyParsons' office in Al-Khobar in the Kingdom of Saudi Arabia with support from other WorleyParsons offices.

"We are pleased to build on our relationship with Saudi Aramco through this significant contract" said Andrew Wood, Chief Executive Officer of WorleyParsons.
