Dear Securityholder

ADDITION OF GLOBAL GEOSCIENCE LIMITED TO S&P/ASX 300 INDEX

We would like to share with you the news that Global Geoscience joined the S&P/ASX 300 Index on 19 March 2018.

This news reflects the rapid progress of our flagship Rhyolite Ridge Lithium-Boron Project over the past year. Our progress has been reflected in the Company's share price and our market capitalisation today of more than \$600 million.

For more information about Rhyolite Ridge and the Company's progress, please visit the Global Geoscience website (www.globalgeo.com.au).

UPDATING YOUR DETAILS FOR FUTURE COMMUNICATIONS

As part of Global Geoscience Limited's commitment to improving communications with shareholders, **we are encouraging you to receive all Securityholder communications via email.**

By electing to receive your notices by email, you will benefit from more convenient and efficient communication in addition to assisting the Company to reduce costs, waste and carbon emissions.

Please be advised that electronic notices contain the same information as hard copy notices. If you elect to receive your Securityholder communications electronically, you will be notified by email once these are available.

Should you wish to receive your notices by email, please provide your email address in the box below. The completed form can be returned either in the enclosed reply-paid envelope provided or attached to an email to enquiries@boardroomlimited.com.au
